Next Thursday
We will have
Bennett and Better Times.
Victory! Victory! Victory!!!
You can hear it here, there, and everywhere.
Bennett the Man of the Hour.
Bennett and Better Times.

To show how hopeless Mr. Grace is for the Government, Squires was begged to keep out of the situation which instead of improving he made it fifty per cent. worse.

Conception Bay is mine for Bennett sure.

The Bell Island mine bluff showed the people of Conception Bay what kind of a man they had to contend with.

Beaten badly in St. John's he will go out of public life for the benefit of the public.

That \$5,000 is still waiting for some one to take it up.

Cashin's challenge for a public meeting is still unanswered.

What better proof can one ask for as to what is going to happen on Thursday.

Mosdell, Clouter & Co. are at their wits ends to scrape up something of a sensational character to fool the outport voters.

Fifteen in St. John's and Conception Bay, Placentia and Ferryland are on ice. Now who will get the Government?

West Coast districts and the North busted up.

It will be some sweep, believe me!

Dunfield has just as good a chance as Fitzgibbon, Burke and Bulley and that's not saying very much.

Squires tried to use the Bell Isle mines to help his cause.

He would use anything or anybody.

But he can't save himself from the onslaught.

John R. Bennett will be Prime Minister next week just as sure as that not one of the "Bees" will be elected.

A landslide is the verdict everywhere.

Coaker's day is done.

Three and a half years of Squires-Coaker control is more than any country can stand.

Another three years of the same misrule and we wouldn't have enough left to have a decent funeral.

The people have their minds made up, and all the bluffing, scheming and deceit possible will not change them.

They are going to vote for a revival of trade and commerce.

For Progress and Prosperity, for Bennett and Better Times.

To-day ends another round. Coaker and Squires are on their knees.

They will not last half of the next rounds which commences on Monday.

Altogether! The last few strokes
