Stockholm, July 10.—The finals in six events were completed at the Olympic today and of the thirty-six points the United States took 13, England 6, Germany 6, Canada 3, Australia 3, Finland 3, and France 2. The United States and Germany had the honor of making a

clean sweep in the weight putting and 200 metres swimming back stroke respectively. England won the greatest race of the Olympic, the 1,500 metres

run, in which the Oxonian, Jackson, broke the record by more than six seconds. Finland won the 5,000 metre by a splendid struggle against France, while the Canadian, Hodgson, brought glory to the Dominion by his victory in the 1,500 metres swimming contest, in which he hung up three records.
