CHICAGO, May 3—The wheat market opened weak at ½c decline from yesterday's close, but the husky yeomanry came to the rescue promptly and had the price up le after a couple of hours. The advance was helped by reports of good shipping business here and considerable engagements at the seaboard. While the situation appears to be getting more bearish, speculative sentiment is still strongly bullish outside markets, and the buying here by outsiders keeps the pot boiling.

Corn and oats have been somewhat affected by the strength in wheat. The heavy ship-ments of corn have also strengthened that

market.
Provisions—Armour and one or two other packing houses are credited with marketing considerable stuff. The feeling is quite bearish on lard. Hogs are now coming to market in splendid condition.

TORONTO. Toronto, May 3.-There was a heavy run at the western cattle yards today, which caused a slight sag of prices in butchers' cattle and a big drop in hogs. There were 60 carloads to be disposed of today, including 1,320 hogs, 225 sheep and lambs and 60 calves. Good attendance of buyers. About 16 carloads were

taken for Montreal, besides the export cattle which went through. Butchers' Cattle—Slightly weaker feeling, chiefly the result of heavy of-ferings. The best figure touched was \$4 30 per cwt for a bunch of fancy steers and heifers. Prices were about \$2 per head easier, and some stuff was left unsold at the close. About the low-

est figure touched was 3c per 1b. The range was from 3c to 41-4 per lb. In export cattle there was good buying. A bunch of 18 cattle, 1,350 lbs average, sold for \$5 30 per cwt. One or two lots of stockers were picked up at 3c. Choice half-fat feeders fetch about from 3 3-4c to 4c per lb.

Hogs-Sharp decline for everything but stores. Good long lean hogs weighed off the cars sold for from \$4 80 to \$4 90 per cwt. Thick fat hogs brought 4 3-4c per lb; stores, 4 3-4c to 5c. Sheep and Lambs-No change, Choice grain-fed yearlings sold at from 5c to

3-4c per 1b. Calves-Offerings were fairly heavy and demand quiet. Choice veals went at \$5 per head, common slling down to \$1 50 to \$2 per head.

A NEW PROPRIETOR. Mr. Peter Conlon, formerly at 199 Wellington street, has purchased the grocery business at 601 Richmond street, of Lichfield, lately carried on by Mr. Luke Jeffries. -Longwood-I bought a farm, but there was a mortgage upon it. The owner is willing to pay it off so that I can get clear possession, but the holder of the mortgage, which has not yet matured, refuses to accept the money without full interest for the period between the present time and its maturity. Cannot the owner cancel the mortgage by paying the interest to date? Ans.—No. The usual course in such cases is to pay the interest at the rate fixed by the mortgage, less such interest as would be earned by the deposit

of the amount in a savings bank. -The waterworks dam is being replanked and the waterwheels of the old hydraulic pumps are being raised and new steps built under them. The repairing of the dam necessitated the ppening of the sluiceway on the north side of the stream, causing a fall in the river of about four feet. The new pumps are running in good order.

-Rev. James Livingston, who takes the services of the Queen's Avenue Methodist congregation tomorrow, is said to be a very able and popular young preacher. THE F. C. B. C.

A very large and intelligent audience assembled at the rooms of the F. C. B. C. last evening to witness the final concert of the season given by the literary society of the school. Mr. J. W. Westervelt, jun., president, occupied the chair, and a programme was rendered consisting of instrumntals by Misses S. West, M. Westervelt and Master W. Harrison; songs by Messrs. R. Robertson and T. A. Nichol; recitations by Misses M. A. Wright, L. Willits and Mr. Kennedy; club swinging by Mr. N. A. Wright; a dialogue by Misses A. Wilkinson and - Vansyke, and choruses by gentlemen from the school. The programme was well rendered and received, many of the participants being called back for a second number. The society paper, the "College Flashes," was read and was well received. These concerts have been given weekly since the organization of the society, and have become a prominent feature of the school, and the large audiences that have witnessed them show that their efforts are appreciated by the public in general. There is a large attendance at the school for the summer term.

Dundas Center Methodist Sunday School

Prospering-The Year's Record. The annual meeting of the Dundas Center Methodist Sunday school was held last evening, the pastor, Rev. E.

B. Lanceley, being in the chair. Reports from the officers were presented, showing a very satisfactory increase in collections and attendance over previous years.

Since the destruction of the church by fire on Feb. 13 the school has met in the Collegiate Institute, and notwithstanding the great distance which many of the scholars have been compelled to walk, their loyalty to the school has been most commendable.
