The Smart, New Spring Dress Fabrics Make Buying Almost Irresistible

You'll want to find an excuse for a new dress right away if you set eyes on these cloths Many are selecting the choice suitings and having them kept for them until a little later. (A small deposit will do this.)

IMPORTED TWEEDS AT 50c

In almost unlimited range of new, indistinct checks and hair line stripe designs. Really the swellest half dollar materials we have ever submitted for your approval. Many of them all pure wool, and this in the face of sharp advances in all-wool cloths.

54-INCH IMPORTED TWEEDS 75c

We've been particularly fortunate in securing six quarter suitings at 75c - fortunate because the patterns cannot be distinguished from the \$2.00 Scotch cloths, and the qualities are so much superior to anything you will find generally shown at the price that many will select from these who expected to pay twice the price.

Light-Weight, Worsted-Finished Tweeds and Elegant Westof-England Worsteds, \$1.00 to \$1.50

Beautifully fine, light in weight, firm materials that make the swellest kind of Spring Suitings. The designs so full of genuine style that they mark this season's cloths as superior in every respect to any former showing. Many of the natty fabrics come in suit lengths. Choose from these early. They will not be duplicated this season.

Black and White SHEPHERDS' CHECKS

25c, 50c, 75c

Going to be unusually popular with stylish dressers. At these three prices we show cloths that you'll not easily duplicate. At any rate it will pay you to investigate the quality of these before you spend your money. We leave the buying to your good judg-
