BRITISH MAKE ADVANCE OF THREE MILES IN BELGIUM

Greatest Move Since Autumn Made South of Ypres, After Fighting as Severe as at Neuve Chapelle-The Enemy's Losses Huge.

[Canadian Press.]

LONDON, April 20.—British troops have begun a strong advance in Belgium south of Ypres. The war office last night briefly chronicled the taking of a hill in that region, but a dispatch to The Morning Post from "North of France" under date of yesterday, states that the British lines have been pushed forward three miles after fighting fully as fierce as that at Neuve Chapelle. The correspondent writes:

"In point of view of territory recovered, this latest success of the British army south of Ypres is the biggest advance that has been made since the autumn, for they have advanced five kilo- war of the Turkish Government, but a relt. metres, and have obtained possession of a district of the greatest

"After a period of inaction, or rather apparent inaction, since war minister and generalissimo of the war is popular with the people war minister and generalissimo of the now because it has given the Governthe preparations have been rapidly maturing all the time, the British troops have delivered another telling blow upon the Gergiven to the American press.
"Undoubtedly the world finds difficulty mans' lines between Kemmel and Wulverghem. The attack comin understanding that the Turkey of today is no longer the Turkey of the
