whether this country as a whole was now paying its way. "We must ask ourselves," he said, "if we are not largely depending on the product of the savings of past generations. Are we not largely depending on interest from foreign investments made by our forefathers for paying for imports to

BY HENRY SOMERVILLE.

Special Correspondent of The Advertiser
London, England, Oct. 23.—The
favored guests of the high commissioner for Canada enjoyed a feast of Lucullus last night at the Hotel Cecil. The tables were decorated with maple leaves and miniature with maple leaves and miniature of the composition of the large economies are impossible unless all classes share in sacrifice. He sheaves of Canadian wheat. The is understood to mean that salaries and menu car stated "This menu is composed of Canadian products" and the first course was "Hors d'Oeuvre Canadien," which, though it rejoiced the palate of an epicure by its sarthe palate of an epicure by its sardine and Bismarck herring and other delicacies, was only a faint foretaste of the delights that were to follow.

The students of Glasgow University are reported to have bought 20,000 eggs of the delights that were to 10:10W. Canadian names like "Saumon de Vancouvre Poche" and "Coupe Otlain, Sidney Webb and G. K. Chester-Vancouvre Poche" and "Coupe Ottawa" and "Poularde de Winnipeg Rotie" and "Canape Torontienne" Liberal, respectively. When David Kirkwood, M.P., appeared to speak for the menu, but these might have been nothing more than the chef's compilment to Canada. The catmeal. Mr. Kirkwood is famous for his strong advocacy of porridge in the dining-room of the House of Comomist When Rev. Ronald Knox appeared on Middaugh. and remarked upon its rare quality, but they did not realize until the speech of W. A. Wilson, agricultural products representative for Canada products representative for Canada products representative for Canada products. Printelly, they had been the Canada fight and fight are of the canada fight and fight are of the canada fight are of th products representative for Canada in Great Britain, that they had been assisting at a most remarkable demonstration of the variety and richness onstration of the variety and richness bulk is a distinct droughout and remarkable of the control of the variety and richness on the control of the variety and richness of of the variety and onstration of the variety and richness of Canada's food products. The fillet steak was from Canadian bullets teak was from Canadian bullets teak was from Canadian bullets, for he is a target that cannot be missed, while Mr. Webb must hilet steak was from Canada. The chickens came from Canada. The chickens came from Canada. Even the fee cream had been made in Montreal, though, as Mr. Wilson in Montreal, though, as Mr. Wilson in election campaign has been entered by a letter from Bernard Shaw develop an export trade in fee cream. It may be guessed that the "Canape It may be guessed that the "Can develop an expensed that the "Canape It may be guessed that the "Canape It may be guessed that the "Chesterton, by nature a mouest friendly, affable, unassuming soul, is friendly, affable, unassuming soul, is friendly, affable, unassuming soul, is by sheer weight and stature and energy and gaiety enormously pretentious, alternation to the fact that they were attention to the fact that they were attention to the fact that they were

There was an interesting speech by A. J. Mills, chairman of one of the largest food importing firms in Britain. He remarked that at the dairy show this week Canadian butter has taken the first, second and third prizes: in other words, it has swept the board. But Mr. Mills did swept the board out that the Canada. He pointed out that the predominance of Canadian cheese in the British markets is being strongly the British markets Canada cannot afford to stand still There is also plenty of room in the British market for the expansion of the Canadian bacon trade. The chief point of Mr. Mills' speech was his point of Mr. Mills' speech was his advocacy of government grading of food products intended for export.

When the guests were departing they were each presented with a large hamper. Passersby in the Strand stered when they saw gentlemen in strend does a comercing from the evening dress emerging from the Hotel Cecil carrying baskets. The hampers contained a variety of hampers contained a variety of samples of chocolates and candies, of butter and cheese, of marmalade and honey and jam, of bacon and cooked ham, of maple sugar and maple syrup. It was a triumphant advertisement for Canada.

The only item criticized was the The only item criticized was the version of O Canada, printed on the toast list. It was as follows:

till, And treasure yielding main; Northland beloved, fearless abide, For home and empire stand, with
