

FROM THE DAILY COLONIST, JUNE 21. SYNOD OF COLUMBIA.

Annual Meeting of Lay and Clerical Delegates—The Diocesan's Address.

Proposed New Provincial Synod—Business Transacted During a Very Short Session.

At 8 o'clock yesterday morning the celebration of the Holy Communion in Christ Church cathedral was the service preliminary to the opening of the second session of the sixth Synod of the Diocese of British Columbia. Subsequently at 10 o'clock there were matins and another Communion service, followed by an admirable sermon by Rev. W. D. Barber. The members of Synod assembled almost immediately after in the Cathedral school room, Bishop Ferrin in the chair.

There were present: Ven. Archbishop Soriven, M.A., Rev. Canon Beaulieu, M.A., Rev. Canon Goddard, Rev. G. W. Taylor, Rev. J. A. Leakey, B.A., Rev. W. G. H. E. C. Schofield, M.A., Rev. E. G. Miller, Rev. J. W. Flinton, Rev. J. B. Harrison, Rev. J. B. Hewitson, M.A., Rev. W. F. L. Marshall, B.A., Rev. E. F. Lippcomb, Rev. C. E. Cooper, and Rev. E. J. Wilson, clergymen; and Dr. E. B. C. Hanington, Percy Wollaston, J. Coltart, Mr. Justice Crease, B. T. N. Drake, J. B. Gordon, Lieut.-Col. R. Wollaston, Dr. M. S. Wade, Tom Kaine, George Jay, Jr., Hon. P. O'Reilly, John Hawkins, C. C. McKinnis, Mr. Justice Drake, E. Musgrave, E. Baynes, Reed, Judge Harrison, J. E. Kaynes, Beaumont Boggs and C. N. Young, laymen.

The officers of the Synod were: President, the Right Rev. William Wilcox Perrin, D.D.; Chancellor, Hon. Mr. Justice M. Tyrwhitt Drake; registrar, Lindley Crease; clerical secretary, the Ven. Archdeacon Soriven, M.A.; lay secretary, E. Weaver Bridgman; J. Coltart; bankers, the Bank of British Columbia; solicitors, Messrs. Drake, Jackson and McKinnis, Rev. Canon Beaulieu, Rev. C. D. Barber, and Rev. J. B. Harrison; and Mr. Wollaston, Hon. Mr. O'Reilly and Mr. Justice Crease having been elected to the executive committee, that body now stands:—Rev. Canon Beaulieu, Rev. W. D. Barber, Rev. G. W. Taylor, Rev. Canon Goddard, Rev. E. F. Lippcomb, Rev. J. B. Harrison, Col. Wollaston, Judge O'Reilly, P. Wollaston, Mr. Justice Crease, Tom Kaine, P. H. Marshall, Beaumont Boggs, Major C. T. Dupont.

Routine matters occupied the attention of the Synod until luncheon, an excellent repast having been provided by a committee of ladies. On the re-assembling of Synod His Lordship addressed the Synod as follows: My Reverend Brethren and Brethren of the Laity: A year's experience has, I assure you, deepened my sense of responsibility in having been called to the office and work of a Bishop in the Church of God.

In this diocese there is none of the anxiety caused by long missionary journeys, or the severity of climate—on the contrary, all the settlements are within easy range, but the anxiety arises from the intimate knowledge which the Bishop must have of the special needs and difficulties of each particular parish. His energies have by no means to be expended upon organization, but rather upon that closer personal union which in so many dioceses in England and in the Colonies is clearly impossible. For this I am daily thankful, and while I am profoundly conscious of my negligence and ignorance, yet the experience of more than twenty years of active parochial work has made me to some extent capable of feeling sympathy with clergy and laity, even if I cannot actually help them in their difficulties.

I would beg of you to forgive the mistakes and short comings of the first year of my episcopate, some of which stand out clearly before my mind as I write these lines, and all of which I would cast into the ocean of the everlasting love of God. There have been several changes in the ministry during the past year. Within a month of the last meeting of the Synod, the Rev. M. C. Brown was called to his rest, and during the year the Rev. D. Holmes has completed work in the American church; the Rev. W. H. G. Ellison has resigned the charge of Metohosia, the Rev. W. H. P. Arden and the Rev. G. H. Tovey have returned to England; the Rev. S. C. Schofield has, with regret to hear, been forced to resign his office to resign St. Paul's, Esquimalt.

I take this opportunity of recording my thanks for the kind help which has been given by the Rev. C. E. Sharpe and by the chaplain of the Royal Navy, while the ship has been in port, and to add that the loss of the active support of Mr. H. J. Innes for so many years will be severely felt. The following appointments have been made: Rev. W. J. Flinton to Cedar Hill and Lake; Rev. C. E. Cooper to Wellington; Rev. E. J. Wilson to Salt Spring Island; Rev. J. W. Taylor to St. Alban's, Nanaimo; and Rev. J. B. Harrison to Burnaby, Victoria. In all cases I have consulted the authorities of the several parishes before making the appointments. No steps have been taken to fill the vacancy in St. Mark's, Victoria, until the question of the grant from the Mission Fund has been decided. If the suggestion of the executive committee is adopted the difficulty in carrying on the services at Metohosia will cease. During the past nine months the Archdeacon has driven from Victoria to Metohosia every time for his evening services at St. James'.

I wish to express my sincere thanks to the Rev. Canon Paddon for undertaking the Sunday services at the Jubilee Hospital, and also for the readiness with which he has always voluntarily undertaken any work which he has been asked to do. If he leaves Victoria, the diocese will feel his loss, and personally I shall miss his sympathetic support. Two new churches have been dedicated during the past year—one at Saanichton in the large district under the charge of the Rev. F. G. Christmas, and the other at Fulford Harbour on Salt Spring Island, where it will stand as a memorial to the successful ministry of Rev. J. B. Harrison. The new fields of work have been opened by the Rev. C. E. Cooper at Englishman's River, French Creek and Nanose, at the first of which a church is almost ready for dedication. At Union Mine the Rev. J. X. Willemer has commenced Sunday services, but both there and at Alberni there are spheres of work which the church ought to undertake with as little delay as possible.

Since the departure of the Rev. D. Holmes, the services at Chemalms have not been regularly supplied. At present there are no signs of renewed work at the sawmill but the rapidly increasing number of settlers in the neighborhood of the River church calls for active ministerial work.

No permanent arrangements have been made for the spiritual needs of Mayne Island and the adjoining islands. Canon Beaulieu has undertaken services occasionally, but the settlers are anxious for regular ministrations. A lady in England has collected \$500 towards the purchase of a steam or itinerant clergyman has been obtained, a boat would be practically useless. The work amongst the Chinese has been abundantly blessed under the superintendence of the Rev. E. F. Lippcomb and a small band of workers who attend regularly at the Chinese school week by week. Three Chinese have been baptized, and I have administered confirmation to three others. The grant of \$800 to the Domestic and Foreign Mission Fund in the West of Canada (for which we cannot be too grateful) is not sufficient to pay the rent of the school room and the extremely small stipends of the superintendent and catechist, and it would make a great difference to the whole work if those who believe in the commandment of our blessed Lord to preach the gospel to all nations would give a sufficient sum to build a small church for the use of the Chinese.

The missionary work amongst the Indians at Alsea Bay has been placed under my care by the authorities of the Church Mission Society, but I have postponed any visit there until the return of the Rev. A. J. Hall from England. Meanwhile I have had opportunities of seeing Mr. Corker, and I am glad to say that the Indian Department have sanctioned his appointment as principal of a new industrial school which has been opened during the past year.

The impossibility of carrying forward the scheme for building a new cathedral has been a grievous disappointment to me personally and I am sure to the whole diocese. It is to be hoped that the strain upon the patience of those who have paid their subscriptions will not be too great. After having paid for the plans and specifications, the treasurer reports a balance in hand of \$6,000. When the right time comes to me a further effort, it is hoped that the work will be considered of a diocesan character and that the subscriptions will by no means be without the parish of Christ Church.

Without arranging the state of commercial depression in the Island, from which I am informed, we are not suffering as severely as some of our neighbors, it cannot be denied that all questions of finance have been of a very serious character during the past year. The resources of almost every parish have been strained to the utmost. I am glad to say that the grants made by the Mission Board have been paid regularly and in full. At the close of the financial year on March 31 the Mission Fund was \$1,208 in arrear but as we commenced the year with a deficit of \$1,222, practically our receipts and expenditure have balanced. To meet this overdraft of \$1,208 there is a sum of \$900 owing as arrears of unpaid interest on mortgages, and the diocese will rejoice to hear that having to a special appeal to the authorities of the Society for the Propagation of the Gospel a sum of \$500 has been received from the treasurer in England.

The question before us, as to the future, is whether we are to be content with the state of the work of the church in this diocese, or to advance. No one will maintain that the amount now collected and subscribed means that the utmost limit of liberality in the several congregations has been reached. We shall not be content until every member of the church realizes the duty of contributing to the general fund of the diocese. More than this, it certainly seems to me that we have a distinct claim upon the liberality of churches in England. I had made arrangements to leave the diocese for four months in August with the object of pleading our cause in England, where I had obtained promises of help in several large towns, but the lamented death of the Bishop of Westminister has led me to postpone my visit. Since 1832 the diocese has received no annual grant from an English society. In the earlier days of his episcopate my revered predecessor was able to raise large sums in England for the Columbia Mission Fund, but six years ago, in 1888, in an address to the Synod, Bishop Hills announced that the contributions to this fund "had fallen to a very small amount, and could hardly be taken any longer into consideration."

For my own part I should be more than willing to abandon the scheme of trying to reorganize this fund, if the church societies in England could see their way to make substantial annual grants, and one object of my visit was to fully discuss this matter with the authorities. I trust that you will not think that I have entered into too many details of diocesan work—for my principle will always be the same, to keep no secrets from this Synod, and thus to secure your hearty and cordial co-operation.

To turn for a few minutes to a wider field. First of all we shall naturally express our sincere sympathy with the diocese of New Westminster in the loss of its first Bishop—called away in the prime of life and in the midst of his work, leaving us a good example; and further in the disastrous floods, which have brought, and must bring, a great strain upon the work of the church in that diocese. The election of a successor to Bishop Sillitoe raises the whole question of the formation of an ecclesiastical province in British Columbia. I hope that a committee will be appointed by this Synod to confer with one appointed by the Synod of New Westminster, and with the Bishop of California. Although it is evident that nothing can be actually done at present, all preparations may be made, if it is decided as a principle that a province ought to be formed.

The Journal of proceedings of the first session of the General Synod of the Church of England in the Dominion of Canada has been circulated amongst you. The solemn declaration makes it clear that the General Synod continues to be an integral part of the great Anglican Communion throughout the world, while the rights of provincial synods and of each individual diocese are strictly protected. No special report will be presented to the Synod by the representatives who attended as delegates at Toronto. We shall have to proceed with caution, acting under the advice of our Chancellor, so that we may make no legal mistakes in whatever course we may decide to adopt.

May the consolidation of the Church in Canada be abundantly blessed by a spirit of true unity and an increase of faith and holiness and devotion amongst all its members. I hoped to have had the honor of receiving members of the Synod at Bishop's Close, but out of respect to the memory of my brother Bishop of New Westminster, it seemed right to forego that would have been to me a great pleasure.

In my opening words I asked forgiveness for my mistakes. May I, in closing, express my sense of thankfulness to those who not only received me with marked kindness at the first, but who have continued their kindness, so that now I feel at home and amongst friends in this far Western diocese; and I pray Almighty God, with all my heart and soul, that in this and all our work we may seek before all other things His honor and glory; that the progress of the work of

the Church amongst us, if slow, may be sure; and that we may grow in grace and in the knowledge of our Lord and Saviour Jesus Christ.

The reports of the executive committee, Mission Board, treasury, auditors and other committees were next presented and disposed of.

GENERAL SYNOD OF CANADA.

Rev. G. W. Taylor moved: "Whereas at a conference held in Toronto, on the 13th and following days of September, 1893, a scheme for the consolidation of the church in Canada, was discussed and adopted by representatives of 17 out of 19 Canadian dioceses (representatives from this diocese alone being present, and concurring so far as the powers delegated to them permitted), and a general synod of the church in Canada was formed; and whereas, it is very desirable that this diocese shall formally assent to and adopt the said scheme of consolidation; Be it resolved, that this synod, on behalf of the diocese of British Columbia, do hereby assent to and adopt the solemn declarations, fundamental principles, basis of constitution, and provisional constitution of the general synod, and that a committee be appointed and empowered to take such legal and other steps as may be found necessary to give effect to this resolution." The resolution was adopted.

A PROVINCIAL SYNOD. Ven. Archdeacon Soriven moved: "Whereas, all the dioceses of the Church of England in Canada to the east of the Rocky Mountains are grouped into the two ecclesiastical provinces of Canada and Rupert's Land; and whereas, it is, in the opinion of this synod, desirable that the dioceses of the west of the Rocky Mountains, which have not at present any provincial organization, should be united in an ecclesiastical province of British Columbia; Be it resolved, that the Lord Bishop be requested to invite the cooperation of the other bishops of British Columbia or of joining the ecclesiastical province of Rupert's Land, and that His Lordship be further requested to nominate a committee to confer with committees of the other dioceses for the purpose of forming a constitution for a provincial synod when such shall have been formed."

Mr. E. Baynes moved in amendment, seconded by Mr. J. Coltart: "That the Lord Bishop be requested to invite the cooperation of the other bishops of British Columbia to consider the advisability of forming an ecclesiastical province of British Columbia or of joining the ecclesiastical province of Rupert's Land, and that His Lordship be further requested to nominate a committee to confer with committees of the other dioceses and to report to this synod the course recommended by them."

The amendment was adopted and the Bishop appointed the following as a joint committee to attend a conference of the other dioceses in British Columbia to discuss these propositions: Clerical—Ven. Archdeacon Soriven, Rev. Canon Beaulieu, Rev. G. W. Taylor and Rev. W. D. Barber. Lay—The Chancellor, Hon. Justice Drake, Hon. Justice Crease, Judge Harrison, Mr. Lindley Crease and Mr. E. Baynes Reed. A number of amendments to some of the canons were taken up and passed.

Next Meeting. Judge Harrison moved that the next meeting of Synod be held in Nanaimo. The motion was carried. The increasing importance of the subject being dwelt upon, after which the proposition was declared carried.

After other business had been disposed of the minutes were read, and the Synod having completed the business before it, was closed at 6:30 by the Bishop. There was a good attendance of clergy, laymen and others, including a number of ladies, at the public meeting at the Cathedral in the evening. The subject of discussion was "The Religious Education of the People." The Bishop opened the proceedings by saying that he wished to lay down no plan which might in the least be interpreted as having any effect on existing political questions, but only to set out the principle that religious instruction was an essential part of education. Rev. W. Bolton spoke of the conditions of education in the United States, especially San Francisco, and said there they had to fight a hard battle against agnosticism. Mr. Wollaston spoke of the necessity of improvement in Sunday school work and laid out the clergy as part of their duty towards the young people of the country.

In a short address Mr. Duncan of Cowichan, spoke of the condition of day schools in the country districts. Dr. Hanington, Rev. C. E. Cooper, Rev. J. B. Hewitson and Ven. Archdeacon Soriven also took part in the discussion, which was closed by the Bishop, with the benediction.

THE FLOODS.

NEW WESTMINSTER, JUNE 20.—(Special)—Reports from Quesnelle and Soda Creek, dated yesterday, say the river is rising fast and the weather is very warm. At Katz Landing the water rose two inches last night.

RAN INTO AN ICEBERG.

ST. JOHN, N.F., June 19.—The schooner Rose, bound from Labrador for Conception Bay, collided with an iceberg yesterday and went down almost immediately, carrying twelve persons with her. At the time of the collision there was a thick fog, and it was impossible for the lookout to see a ship's length ahead. The Rose had a crew of fifty-five persons. The forty-three survivors camped aboard the berg as soon as the collision took place and remained there several hours, suffering great hardships. After they had almost abandoned hope another fishing craft hove in sight and they were taken safely aboard and landed.

FAVORING THE CHINESE.

ST. JOHN, N.B., June 20.—At the Presbyterian General Assembly an overture was presented, signed by about half the Assembly, seeking co-operation with other churches in pressing on the government to remove the restrictions on Chinese immigration. A committee was appointed to carry out the prayer of the overture. The Moderator spoke of the Chinese, saying that many ideas regarding them were very wrong. Not one objection had been raised to Americans and Canadians while in Formosa. The question is simply one of right. He regretted with deep sorrow that Canada should pass such a law. The overture was passed by a standing vote.

SPORTS AND PASTIMES.

Foulkes Wins a Tennis Contest—Cricket Fixtures—Strong Man Sandow's Wager.

At Beach Hill last evening a large and interested crowd assembled to witness the first of the series of fortnightly club races arranged for the season by the newly organized Victoria wheelmen. There were three events on the programme—an open race, 3:15 class and 3:30 class, the latter for roadster wheels. Each filled well and fairly good contests resulted, though a stiff southerly wind prevented fast time being made and gave the riders plenty of work in mounting the heavy grades under full steam. In the open race Bradley and Wolff were the contestants, the former winning easily, and making the mile circle in 2:47 3/5. Wolff made a good showing but has plenty of work ahead of him in order to put himself on equal terms with the club champion. In the 3:15 race and Fred Hall, the latter of whom won easily in 3:21 1/5, Jeffrey having the ill-luck to slip a pedal and not being able to recover his position under the clip. Morris, Sheppard, Reynard and Carter were the starters in the 3:30 class, finishing in the order named. Morris rode a fast, steady race, finishing well to the front in 3:14 4/5 with a safe running lead. The race attracted general attention and was conducted with the utmost satisfaction to the public and all participating.

ATHLETICS.

SAN FRANCISCO, June 20.—Eugene Sandow, the strong man, has closed his season in California and accepted his engagements in the Northwest in order to reach New York as soon as possible to arrange for a competition with other alleged strong men to take place in that city. Sandow claims to have defeated with the New York Herald a \$10,000 as a gift to any man in the world who will accomplish the feats of strength performed by him. The climate of California has agreed with Sandow. He is in fine condition and hard as steel. He leaves for New York Thursday.

THE CITY.

THE Cedar Hill young people have their annual picnic at the Cordova bay beach next Saturday afternoon.

YESTERDAY was the 57th anniversary of the accession of Her Most Gracious Majesty Queen Victoria to the throne of England.

THE anniversary services at the Centennial Methodist church are fixed for Sunday, July 8, and the anniversary tea will be held on Tuesday, July 10.

A YOUNG white cow, for which the owner, Mr. John Clark, refused over \$100 a short time ago, is believed to have been stolen from James Bay on Sunday night, as no trace of her can be found.

NOMINATION of candidates for the provincial legislature will be made in this city at the Market hall, instead of at Philharmonic hall as first announced. The official proclamation of the change, which has been made for the general convenience, is made by advertisement published to-day. Saturday next will be nomination day.

THE case of grand larceny against Frank Hart, M. Goodfriend and Mike Golden, the three bank men arrested for robbing the two Norwegian girls, Amanda and Anna Engvik, of \$297 on the wharf of Myers' cannery (May 30) Decoration day, was called for trial in Judge Humes' court, Seattle, yesterday. Hart's case was first given to

point is the persistent way he has of picking up an almost impossible ball and the success of his returns. Although neither of the players was in first-class form, still a very pretty exhibition of two different styles of games was witnessed. Foulkes won the match rather easily, taking the first set to five and the second to two games. Score—13 games to 7; 64 strokes to 45.

The grass courts looked and played well, so it is to be expected that the grounds will be crowded every afternoon with those lawn tennis in Victoria and also present the annual prize trophies from leaving the province.

THE pocketbook of papers picked up on the harbor shore by Mr. Alfred Barnes and handed by him to the provincial police turns out to have belonged to young Vernon who was drowned by the capsizing of the Urdine two weeks ago. Among the papers was an account belonging to the schooner Mischief, and upon Capt. Foot's attention being called to it he recognized it and another document, a recommendation given to Mr. Vernon by a Xaalo stage line for his skill as a veterinary surgeon, of which profession he was a member. Capt. Foot also had seen the pocketbook in Mr. Vernon's possession, so that all doubts as to its identity are at rest.

A MEETING of the Board of Aldermen was held yesterday afternoon at 3:30, the Mayor presiding and the full board being in attendance. With the single exception of Ald. Vigotius. The business was the selection of a site for the new electric light works and power station, upon which there was a lively discussion lasting upwards of an hour and a half. Mr. T. C. Nuttall's waterfront property between Herald street and Turret street was finally decided upon, the price being \$12,500 and the frontage 120 feet. This selection was made upon a division of five to four, the vote being: For—Ald. Harris, Styles, Baker, Keith, Wilson and Ledington; against—the Mayor, and Ald. Dwyer, Humphrey and Munn. Mr. J. C. Keith was subsequently named as architect for the new power buildings, to proceed at once with the preparation of the plans. Besides the members of the board, Mr. Cartmel was present at yesterday's meeting and explained his proposition in regard to the destruction of garbage in connection with the electric light works, upon which subject a special committee will report.

My feet were so badly swollen that I could not wear my shoes. I got Yellow Oil, and to my astonishment it gave relief, and two bottles completely cured me. Mrs. W. G. McKay, Berwick, Ont.

THE corrected time allowance of the Daisy Bell to the Volage is 12:25, so the gain of the former in last Saturday's race was 8:75, not four minutes.

THE GREATEST RACE OF FRANCE. PARIS, June 18.—Baron A. de Selokier's brown colt Dolma Baghote (by Krakatoas out of Alaska) won the Grand Prix in 3:25 3/5, with Sir F. Johnson's bay colt Matchbox (by St. Simon out of Match Girl) second, and Baron de Boubeyran's bay colt Mansour (by Frontin out of Merry Day) third. Dodge rode Dolma Baghote, Cannon rode Matchbox, and Bridgeland rode Mansour. The post-offer was seven to four on Matchbox, 11 to 2 against Dolma Baghote, and 20 to 1 against Mansour. The colts Ravello, which is also the property of the owner of the winner, and the matchbox were first away. They led until the stretch was reached, when Dolma took the place of Ravello and ran neck and neck home with Matchbox. Dolma won by a head. Mansour was two lengths behind Matchbox. The race was witnessed by an immense crowd, including a great number of ladies, who for the first time this year appeared in their summer toilets. The scene was a brilliant one. Among those who witnessed the race were president and Mme. Caron, who, when they appeared on the grand stand, were given an ovation.

"ALBERT" WON. King's Electric (Tom Gannon) won from Sabine's sorrel horse Prince in a 300 yard dash for \$50 a side, at Beach Hill last evening.

OPENING OF THE ASCOT MEETING. LONDON, June 19.—The Ascot stakes run off to-day was won by A. Taylor's Aborigine, Sir R. Jardine's Red Ensign second, and Royal Wadlow's Spindle Leg third. "Royal Wadlow's" had a brilliant inauguration to-day. The heat and neighborhood were more crowded than usual. The Prince of Wales, Princess Victoria and Princess Maud and Duchess of Fife, the Duke of Cambridge, Lord Marcus Bessford, the Marquis of Londonderry, the Marquis and Marquise de Launay were present. The royal party drove to the race course in semi-state in six carriages, and were greeted with loud cheers all along the route.

IMPORTANT EVENTS AT ASCOT. LONDON, June 20.—At Ascot Health yesterday the Ascot stakes, distance about two miles, was won by A. Taylor's Aborigine; Sir R. Jardine's Red Ensign second; Mr. Wadlow's Spindle Leg third. The betting on the horses as they went to the post was 100 to 12 against Aborigine; 100 to 14 against Red Ensign, and 8 to 1 against Spindle Leg. Lord Elmsere's Emily led until the stretch was reached, when Mr. Lowther's Houndstitch went away, but Red Ensign and Aborigine quickly passed Houndstitch, Aborigine winning by two lengths and a half from Red Ensign.

The Prince of Wales stakes for three-year old colts over the new course of about one mile and five furlongs, was won by Henry Miller's Contract. Lord Radford's brown colt Blightler second, and Douglas Baird's bay colt Sempronius third. The Gold Vase given by Her Majesty, with a special purse added to the sweepstakes, distance about two miles, was won by Quantum; Sarna second; Barmicide third.

SATURDAY ATTRACTIONS. Victoria places two eleven in the field for Saturday, one vs. the Albions and the other against the Navy. They are as follows: To play the Albions—L. C. Barr, Hon. E. Dewdney, J. F. Foulkes, A. T. Goward, C. Little, S. F. Morley, A. P. Owen, B. J. Perry, C. E. Pooley, N. P. Snowden and Wallis. To play the Navy—F. Crabbe, B. E. T. Drake, G. S. Holt, A. P. Luxton, T. Pooley, A. Scroggie, A. G. Smith, C. Ward, W. A. Ward, C. P. Walley and S. Y. Wootton.

TENNIS. MR. FOULKES SUCCESSFUL. Mr. J. F. Foulkes, of Victoria, met Mr. A. W. Bumiller, of Leland Stanford University, at the grounds of the Victoria Lawn Tennis Club yesterday afternoon, to decide a friendly match, the best of three sets.

At the hour appointed there was quite a gallery of spectators. Although Mr. Bumiller volleys and places with great neatness and accuracy, still he is quite out-generaled by Foulkes, whose strong

point is the persistent way he has of picking up an almost impossible ball and the success of his returns. Although neither of the players was in first-class form, still a very pretty exhibition of two different styles of games was witnessed. Foulkes won the match rather easily, taking the first set to five and the second to two games. Score—13 games to 7; 64 strokes to 45.
