What the Peorle are Doing and Thinking About -Brief Notes Gathered Everywhere by World

The laborers' union last week made a demand for 10 cents per day additional wages. The masters quietly acceeded to their demand, and the wages are thus raised to

Building permits were yesterday issued to Mr. Voss for a \$300 stable on Hayden street, and to Dr. H. H. Wright for alterations to a house on the corner of Gerrard and Sherbourne streets, to cost \$1600.

Attention is called to the very cheap trips to be made by the popular steamer Norseman during the balance of this week to St. Catharines, Port Dalhousie, Nugara, Building permits were yesterday issued Queenston Heights, Oakville, Burlington Beach, Hamilton, and Thousand Islands.

alarge and flourishing louge. The following

I.G.; Geo. Brown, tyler. A FATHER'S ADVICE TO HIS SON.

BY ANDREW M'NAB, TORONTO. (Written for The World.) (Written for The World.)

Tis right, my son, that you should have a wife
To cheer you through this world of joy and strife;
An helpment who will all your burdens share,
And lesser thus your every grief and care.
God grante this liberty to all mankind
Tis He who doth each to the other bind);
Then why should I, a creature of His might,
Forbid what He says in His word is right?

Some fethers do forbid, and quarrels cause, Forgetting for the time (fod's Lety news, And the particle leaves the quarrel in the past, find any or memory dota ever last; find aboutly full of dota line grise. find a burty full life dechrines arise, When earling in any world car compromise. Furbidit, gracious Heaven, that I dould the To keep from him the ale sings Leny vy.

But, son, as longer in the world live been.
And more then you of women's ways have a
Take no advece regarding your fair choice.
And you'd neve cause here after to red suc.
Take not a wife begunse her face is fair.
Not indicate by the color of her har: die ber by the corer of a vine, and soon a way doto now a sonneam marrored in a gless.

And of the rely in her no other gra e When he are comes in re's mering to reseem Beauty's it ay the past will be a dream. Let not a woman win con by smooth talk, For many a one as found sanken to k Beneath she pushed surface of the speech. Whereon their rives here wrocked no help con reach.

Remember two starspeech that a used the fall in Eden sparden, and made bitter. The lifethat otherwise had neer known woe, and earth had been a little haven below. But sock a wife who has a loving heart. This is, my son, by far the abbest put. For when the sme th, eatherbodg speech as flad, Earapturing heart y numbers with the dead, And all accomplishments that ere on bore of love are from this ideal woman torn.

BOARD OF WORKS. Ald. Baxter's Chairmanship—That Everlasting Stone in the City Hall Yard—Those Defective Sidewalks Again—The Yonge Street Maca-

Yesterday's heat made the members somewhat tardy in putting in their appearance. Ald. Carlyle and Steiner arrived dirst, then Ald. Irwin and Baxter straggled in, and finally Al. Mitchell and Walker Beporters.

Mr. A. T. McCord continues to be very ill.

The eastern division court set yesterday, there being ninety cases on the record.

The Credit Valley will run their trains into the Union station on and after Monday.

The new house for the gardener at the Horticultural gardens is in course of erection.

The Toronto, Grey & Bruce railway's new elevator at the Queen's wharf is ready for occupation.

They tried to give Mr. Swinyard an Erastus Wiman bath in the Telegram , but he would not take it.

About four hundred people went on the excursion to Detroit and Chicago yesterday per Great Western railway.

A preliminary meeting of those wishing to establish a junior yacht club will take place at Mr. Hodgson's boat-house on Thursday.

The World will be presented at the Grand opera house matine this afternoon, and in the evening the last performance will be given.

With reference to the dispute between the continues to be very in an appearance and completed the quorum. Ald. Baxter took the chair in the quorum. Ald. Blevins, and made a great effort to keep the members to the order of business, a course of dealing which perplexed some of them not a little. After reading the minutes, Ald. Steiner asked whether it was distinctly understood that the stone in the city hall was to be equally divided among the different wards. Ald. Baxter said certainly; but the stone had been sold and each ward would gets its share of the proceeds, except St. George's, which had already got its share.

A preliminary meeting of those wishing to establish a junior yacht club will take place at Mr. Hodgson's boat-house on Thursday.

The World will be presented at the Grand opera house matine this afternoon, and in the evening the last performance will be given.

With reference to the chair in the quorum. Ald. Baxter took the chair in the dabenee of dealing which performs a course of dealing which performs a course of them not a little. After the stone in the city thall was to be equally divided among the different wards. Ald. Baxter said

and in the evening the last performance will be given.

The mayor and corporation have issued cards for the reception to be tendered to the visiting mayors at the council chamber this night week.

The chancery division of the high court of justice will begin proceedings to-morrow, several appeals from masters' reports having been set down.

Two drunken young women in a buggy were one of the signts of the Queen street avenue yesterday afternoon. One of them fell out and was stunned for a time.

The commercial travellers' rooms are to be removed to the Mechanics' institute building. The association have been offered the use of the institute reading and billiard rooms. THE YONGE STREET MACADAM.

the Emma Abbott English opera company of making temporary crossings over the callway tracks during the exhibition, and thought it would be much better to have special watchmen. The report also recommended sewers on sanitary grounds on Clifford street and Rose avenue.

Those Defective sidewalks.

The engineer and commissioner having been directed to report on the sidewalks mentioned in the report of Messrs. Withrow and Fletcher, the latter sent in a document which was to some extent a reply to that report. Sidewalks, he seys, come under the head of rough carpenters' work, and the terms of the specification must be interpreted as applying to such a class of the lumber.

The company engaged to support Lotta for the coming season includes Charles Bradshaw, P. A. Anderson, W. H. Wallis, C. D. Bainbridge, Fred. Perey, H. B. Bradshaw, C. W. Parker, Misses Florence Noble, Lulu Jordan and Mrs. G. C. Boniface; G. W. Floyd, advance agent, and E. E. Kidder as manager. Their season opens September 19 in Montreal.

The company engaged to support Lotta for the coming season includes Charles Bradshaw, P. A. Anderson, W. H. Wallis, C. D. Bainbridge, Fred. Perey, H. B. Bradshaw, P. A. C. Boniface; G. W. Floyd, advance agent, and E. E. Kidder as manager. Their season opens September 19 in Montreal.

nille at the Royal—The World at the Grand—Stage Notes. Camille at the Royal—The World at the Grand—Stage Notes.

Last night the zell-known play of Camille was presented at the Royal opera house. The priscipal parts of the piece were in the hands of good actors, including Mr. Glassford in the title role and Miss Egbert as Armande. No one who saw the piece could fail to be strongly impressed by the sentiments portrayed. Mr. Egbert's acting is characterized by vigorous animation, tempered with cool deliberation. To-day both Camille and Led Astray will be played by the company, whose season closes with these performances. The former will be played at the matinee.

GRAND OPERA HOUSE.

FIRE AND GAS COMMITTEE.

This committee mat at 4 p.m. yesterday. Potvin was committed under a warrant of the coroner committed under a warrant of the coroner upon the view of the body, and has since been coptingously in gaol. It is said that Potvin was not one of the four who actually committed the murder, and it is alleged on his behalf that he was not in any way converted with it but that he was no varieties. his behalf that he was not in any way con-nected with it, but that he was suspected of having entertained a grudge towards Wetherall. His lordship granted the writs after a brief recital of the facts. The writs will be returnable by this day week, when an interesting argument may be expected.

gas lamps on the road leading from College street to the school of practical science and the university.

A petition was read from John Jones and others asking for gas lamps on the Kingston road, and a communication from the county clerk declining to contribute toward the cost of street lamps, and saying that it was a matter to be dealt with by the township. It was decided to place the lamps on the location named. already succeeded, he said, in sending him down to gaot for six months for carrying a revolver, but he intended to pay the fine, and when he was free he could get plenty of work. The judge appeared to be somewhat impressed by Ford's representations, and remanded him until Thursday, directing that Mrs. Ford be subpensed in the meantime.

MOSES OATES ON THE WEATHER.

Moses Oates has an impression that the present hot spell will continue a day or two Moses Oates has an impression that the present hot spell will continue a day or two longer. Then will come a round of three days rain, followed by two or three days of cooling weather and ten days of fine for the Industrial Fair. Moses, it will be observed, only gives this as his impression; he has not made a calculation to make sure he has not made a calculation to make sure that he is right, but he believes that it will not be found very wide of the mark.

Modjeska.

Onite an item in the New York brewer's Will not be found very wide of the mark. His prediction of this hot spell, made three weeks ago, has been only too well verified. Whatever Vennor may be, Moses claims that he is a scientist, and that his predictions have some Norman or Flemish stock in them, and cost about \$600.

ANOTHER WITNESS. The World the other day related the case of a well-known writer who has increased fourteen pounds since he quit smoking some months ago. Yesterday another gentleman told The World that he gave up smoking on July 4th, and now he 1s seven pounds heavier, and still on the rise. A mercurial broker who was sitting near ex-

THE YOUNG BRITONS. They Decide to Sever From the Orange Gr

They Decide to Sever From the Orange Grand
Lodge—Patience Ceases to be a Virtue.

A special meeting of the Orange Young
Briton grand lodge of British America
was held yesterday afternoon in the Orange
hall Yonge street. The chair was filled
by the grand master, Brother Harry
Eilder of Crediton. The other grand
officers were in their respective places. The
first order of business was the appointment
of a credential committee, which presented
its report after a short adjournment of the
grand lodge. About sixty duly accredited
delegates were reported. On resuming its
session the grand lodge adopted the following:

session the grand lodge adopted the following:

Whereas this grand lodge has heard with feelings of the most profound regret that President Garfield of the neighboring republic has been stricken down by the hand of an assassin; be it therefore resolved that this grand lodge takes the present opportunity of extending to him our most earnest wishes for his speedy recovery; and its most heart-

stage notes.

Gilbert and Sullivan's new comic opera, "Patience," is to be produced at the New York Standard theatre on Sept 19.

"My Geraldine" is having a good run at Niblo's, New York. It will be played at the Royal opera house in this city next week.

"The World," with all the machinery with which it was presented at Wallack's last season, will begin to revolve at Niblo's garden on Sept. 5.

Miss Maud Harrison, a young St. Catharines lady who has been for some time in the Union square theatre company, is rapicly coming to the front as an actress. She is at present playing to large business in Chicago.

"Michael Strogoff" is to be brought out at Booth's theatre to-night, and later during the week a rival "Strogoff" is to be produced at the Academy of music by the Kiralfys.

Much is expected of Signor Valentine Fabrini, the tenor, "late of Her Majesty's grand Italian opera company," who will make his first appearance in America with the Emma Abbott English opera company this sea-on.

The company engaged to support Lotta for the coming season includes Charles Readshaw P. A. Anderson, W. H. Wallis.

he exhibition last night. There was a full attendance, and considerable business As the time for the great show draws nigh, the prospects that it will be the most

nigh, the prospects that it will be the most accessful yet held in Toronto, if not in the Dominion, increase, and everything promises well. The exhibition opens Mon-

absence from the city. He returns thanks all the same. The directors granted an additional \$500 to the citizens' regatta committee, with the understanding that if there be any surplus t be handed over to the association.

Space will be afforded in the main build-

ing to the pupils of the blind asylum at Brantford, who will show their handicraft in the manufacture of many articles of a useful and ornamental nature The committee reported drafts of addresses to the lieutenant governors of On-tario and Quebec, which were adopted. The express company will have an office on the grounds.

The aldermen, directors and officials will visit the grounds this afternoon.

MR. GUINANE'S LITTLE JOKE. Yesterday Mr. West left his store for a few minutes, and Mr. Guinane, who was standing outside of his store, thinking it was standing outside of his store, thinking it was a good opportunity to play a little joke on his neighbor, quietly transferred one of Mr. West's cases of boots to his own shop. Back came Mr. West, who missed the case and russed off to No. 2 station, while Mr. Guinane stood sheking his far sides with substantial stood shaking his fat sides with laughter.
At No. 2 he found the acting sergeant, who
telephoned down to No. 1 for a detective. When he got back to his store the case had been quietly replaced, and he had the felicity of going again to No. 2 and notifying the sergeant. He vows he will be revenged on the portly Guinane.

PUBLIC OPINION. London Advertiser: It is against the aw to take liquor into the Northwest territories. Lord Lorne has just gone to the foot of the Rockies with a cart-load of grog. Simultaneously there is a call for another enrolment of mounted policemen.

The boys of the Edinburgh academy of July 22 gave a representation of the "Antigone" of Sophocles, with the music of Mendelssohn. The last and possibly the first performance of this Greek play in Scotland was given about thirty-six years ago, when the title role was assumed by Miss Helen Faucit.
