Money Market Unchanged—Canadian Apples and Cheese in England—Outside Grain Markets Steady—Montreal Stock Market—Beer—Review—Business Troubles.

FRIDAY EVENING, JAN. 23. A cable received today says stocks of Canadian export on the British market have been cleaned out and that a strong market prevails.

There have been some large sales of Canadian coffee on the British market during the past few days. Prices are firm with an upward tendency.

Chicago provision market was weak today owing to large sales by packers and large receipts here.

The only feature on the New York stock market today was a decline of 3 points in Chicago Gas owing to holders throwing stock overboard on the market and the trust had been cleaned out and was being formed into a company under the laws of the state.

There was a decrease of \$1,338,972 in the Canadian bank note circulation during the month of December. Compared with December, 1889, the circulation was \$1,420,000 larger. During the month there was an increase of \$19,597 in specie.

The reserve fund of the Canadian banks for December shows an increase of \$336,715 over November.

Today's cables report an improvement in the British wheat market. Corn easier and a falling tendency.

American securities were fairly steady in London today.

Canadian Pacific was easier in London today, closing 1/2 lower than yesterday.

The liabilities of the Canadian banks in excess during December were \$349,923, an increase of \$554,123.

New York and Chicago grain markets closed stronger.

Bullion to the amount of £26,000 was taken out of the Bank of England today.

Transactions on local stock exchange today were confined to miscellaneous, not a sale of bank shares being reported.

LOCAL STOCK MARKET. Local stock market was very quiet, with but little change. Prices were lower, Ontario higher, 11/2 being asked and 11/4 bid. Commerce held 1/2 lower, with 1/4 higher. Dominion standard fell 1/4, and for British America advanced 1/4. N.W.L. held 1/4 higher, with 1/2 higher.
