Death of a Brooke Pioneer.

An old and respected resident of Brooke passed away in the person of Mary Ann Watson, relict of the late John Parker, on Thursday, March 14th, in her seventy-sixth year. Deceased had been in failing health for some time, but the end came somewhat sudden and unexpected, heart trouble being the cause of her death. Mrs. Parker was born in the Township of Goulburn, Carleton Co., Sept. 27th, 1831, and when only three years of age came with her father, the late Wm. Watson, to lot 14, in the 13th concession of Brooke. The Township at that time was uninhabited by white men, her father being said to be the first white settler of Brooke, therefore it is needless to say that the deceased passed through all the hardships, inconveniences and privations of pioneer life and lived to see the Township of her adoption transformed from a wild and trackless forest into a fertile and well cultivated township. She was married in 1854 to John Parker, and settled on lot 13, con. 13, Brooke, where she resided until the time of her death, her husband having pre-deceased her eight years. Her children blessed this union, of whom eight are still living, viz.: William, Francis, Harvey and Mrs. R. McMillurray, Brooke; John W., Mrs. James Murdoch, and Florence, Regina, and Mrs. Robt. J. McBean, Crossfield, Alta. She is also survived by two brothers, William, Napinka, Man., John, Deckerville, Mich., and five sisters, Mrs. Nelson, Des Moines, Iowa; Mrs. James Acton, Warwick, and Misses Jane, Betsey and Martha, Watford. The subject of this sketch was an earnest lifelong christian and during her last illness gave strong testimony of her trust in Christ. The funeral, which was largely attended took place on Saturday, at 10 a.m., to the St. Carmel cemetery. The children present were, Mrs. Watson, Mrs. James Acton, Warwick, and Misses Jane, Betsey and Martha, Watford. SPRING ADVICE.

Do Not Dose With Purgatives and Weakening Medicines—What People Need at This Season is a Tonic.

Not exactly sick—but not feeling quite well. That's the spring feeling. You are easily tired, appetite variable, sometimes headaches and a feeling of depression. Or perhaps pimples and eruptions appear on the face, or you have twinges of rheumatism or neuralgia. Any of these indicate that the blood is out of order, that the indoor life of winter has left its mark upon you and may easily develop into more serious trouble. Don't dose yourself with purgative medicines in the hope that you can put your blood right. Purgatives gallop through the system and weaken instead of giving strength. What you need is a tonic medicine that will make new, rich, red blood, build up the weakened nerves and thus give you new health and strength. And the one medicine to do this speedily and surely is Dr. Williams' Pink Pills. Every dose of this medicine makes new, rich blood which makes weak, easily tired and ailing men and women feel bright, active and strong. If you need a medicine this spring try Dr. Williams' Pink Pills and you will never regret it. This medicine has cured thousands in every part of the world and what it has done for others it can easily do for you.

The headquarters for the genuine Dr. Williams' Pink Pills for Pale People in Canada is Brockville, Ont. So-called pink pills offered by companies located at other places in Canada are fraudulent imitations intended to deceive. If your dealer does not keep the genuine Dr. Williams' Pink Pills for Pale People send to Brockville, Ont., and The Dr. Williams' Medicine Co. will mail the pills to you at 50 cents a box or six boxes for \$2.50.

Got Into Fractions.

Chief Justice Meredith has quashed the local option by-law of Alisa Craig, on which the vote was 104 to 70. The mathematicians got to work under the twofifths clause, and figured away until they found that the by-law was lost by twofifths of a vote. It required 104 2/5 votes to carry, and 104 was all that could be got together.

PLYMPTON.

James Bullock, lot 21, con. 1, Plympton, succumbed to Bright's disease Monday afternoon, 4th inst., in the 57th year of his age. Although he had been in poor health for several months the end came quite unexpectedly. On the forenoon of his death he remarked that he felt better than he had for some time, and during the afternoon gave his daughters permission to visit a neighbor, but while they were making preparations to go, they observed him suddenly throw up his hands and on going to assist him, found life was extinct. His wife died Feb. 5th, just a month prior to his demise. The funeral took place last Wednesday 6th, and was conducted by "Purple Star" L. O. L., of Uttoxeter, of which the deceased was a member. He leaves three orphan children, one son aged 11 and two daughters aged 14 and 16 years.

Two Boys Drowned at Alvinston.

Alvinston, March 13.—Charles McKellar, aged 18 and Milton Wallis, aged 16, were drowned here this morning. The two boys were crossing the river on the ice in company with a third young man. Wallis suddenly broke through the ice, which was rotten from the recent rains, and McKellar in attempting to rescue him went through also. The bodies were caught by the swift current and swept under the ice before their companions could do anything to help them. Efforts are being made to recover the bodies, and both have since been found.
