### KERWOOD.

The regular meeting of the Kerwood Ladies' Institute was held in Chittick's Hall on Wednesday evening, Feb. 15th. It took the form of the general meeting followed by a program prepared by the members of the committee. Mrs. Dymond gave a very instructive paper on "The Preparation of Lenten Dishes."

A very interesting paper on "The Religious Influence of Music in the Home" was given by Miss Margaret Callaghan, also a paper on "The Life and Works of Wm. Cullen Bryant" was given by Miss E. G. Rogers. Two choruses were sung by the members. In the second part two quartettes were sung, the Institute quartette in usual delightful styles were rendered by Mesdames Currie, Eway, Mills and de Gex and were certainly enjoyed to the utmost by all present. A reading was given by Miss Gladys Morgan in her usual good way. Mrs. Woods gave an excellent paper on "St. Valentine." Eight of the members acted the famous drama, "The Parliament of Servants," which caused many a laugh among those present in the audience. Mr. G. Lewis made a splendid chairman for the 2nd part of the program. The next meeting will be held in the Oddfellows' Hall on Wednesday afternoon, March 15th. ### Toronto Markets.

Toronto, Feb. 28.—Receipts were 85 cars, with 1,100 head of cattle, 400 sheep and lambs, 460 hogs and 140 calves.

The run was a little heavy for the demand and quite a few loads were held over for the later markets. It is probable, judging from the many complaints heard, that drovers have in many cases been paying too high prices in the country—a risky proceeding, in view of the fact that last week showed a steady decline, prices at the week-end being the lowest for this season.

This week's markets so far show very little power of recovery, prices barely holding steady at recent declines. Today's prices were about level with yesterday's for the ordinary run of medium light butcher cattle, but choice heavier butchers were 5c to 10c easier. The price to-day for choice butchers was \$5.50, as against \$5.10 to \$5.20 yesterday. Good medium butchers ranged steady from \$5.25 to \$5.60.

Good butcher cows and bulls were the firmest features of to-day's market, choice cows quoting strong at \$5 to \$5.30 and bulls at the same figures. Light common mixed butcher dull at \$3.50 to \$4.50 and canners at \$2 to \$3. No heavy export cattle offering.

Sheep firm at \$4.25 to \$4.75. Lambs dull at \$5 to \$5.40. Hogs unchanged at the last decline to \$6.75, f. o. b. and \$7.05, fed and wated.

### BOWEL TROUBLE MAKES SICKLY BABIES.

Bowel trouble is the cause of most of the ailments from which little ones suffer. When baby's bowels are not working regularly illness is sure to appear, but when the bowels are regular the little one is usually bright, active and happy. No other medicine for babies has such good effect on the bowels as has Baby's Own Tablets. They make their action regular, sweeten the stomach and promote good health. Concerning them Mrs. Freeman Feener, of Barry's Corner, N.S., writes: "I can heartily recommend Baby's Own Tablets for all the troubles from which little ones suffer. My baby girl was so small and puny I thought we would lose her. I saw Baby's Own Tablets advertised and began giving them to her and now she is a big, healthy, happy baby. For this I thank the Tablets, and I always keep them in the house." The Tablets are sold by medicine dealers or by mail at 25 cents a box from The Dr. Williams' Medicine Co., Brockville, Ont.

T. F. Wordsworth and A. Hay, Main Road, have purchased a gasoline engine for work on their farms. The engine is a "Maxwell," manufactured in Watford.

Mr. Ammon Rogers, Rouleau, Sask., visited relatives and friends here this week. He returns to the West shortly taking with him a big shipment of horses.

The regular monthly meeting of the Warwick branch of the Women's Institute will meet at the home of Mrs. T. McAnusland, on Thursday, March 9th, at 2.30 p.m.

Mr. Alf. Williams, while drawing his threshing boiler along the Main Road near Wisbeach, on Wednesday, had the misfortune to lose a good horse. The animal stumbled and broke its leg and had to be shot.

On Saturday, a gentleman hailing from Adelaide, who has lost his grinder, but still possesses a good sense for intoxicants, after rounding up the hotel bars, left for home in a merry mood, but proceeded only a few miles when he bumped into another rig. He was derailed, and his horse becoming freed from the rig, made haste for home without him. Nothing more serious than the buggy, a good flask of whiskey and a New Year's resolution broken.
