WATFORD METHODIST CHURCH RENAMED "ERIE ST. UNITED CHURCH"

The Annual Meeting of the Methodist church was held in the Sunday school room last Thursday evening, with fair attendance and much enthusiasm.

Rev. S. J. Thompson, the pastor, presided and kept the meeting in good humor and interested every minute of the evening. The ladies served a lunch-supper at 6.30 and were kept busy until eight o'clock. Musical items from Master Donald Harper, Miss Lovell, the Misses Harper and Stephenson, and a humorous reading by Miss R. Stapleford were much enjoyed by all present. The following veterans of the choir were called to the front and each presented with an address and a beautiful sheaf of roses and carnations: Dr. G. Hicks and Mrs. Hicks, David A. Maxwell and Mrs. Wm. Thompson, the latter holding the record for over fifty years continuous service in the choir either as organist or soprano singer. The address to each was read by the pastor and the flowers were presented by Mrs. A. J. Hagle and Mr. W. H. Harper. This item came as a complete surprise to the veterans who were each loudly applauded as they expressed their appreciation for the kind remembrance.

The reports of the W.M.S.; the Ladies' Aid Society; the Sunday School; the Y. P. League; were submitted and all showed a healthy growth. Mr. John Gault, the treasurer of the Official Board, presented a clear and definite statement showing a very liberal support to different departments of the church during the year. A debit balance carried over from last year was appealed for by the treasurer and the pastor and arrangements made for an immediate canvass of the congregation. Any member of the congregation who would like to assist kindly notify Mr. Gault at McCormick's store.

Messrs. Coupland, Caldwell, F. Roberts, J. Hawes and R. King were elected to the vacancies in the official board.

There was some discussion as to the name of the church in future. It was carried unanimously to name the church Erie St. United Church. As soon as possible a suitable bulletin board will be furnished and the old name erased from the front of the front of the church.

The pastor's report showed a very gratifying growth in membership. The Roll of Membership shows a total of 196 resident members with 15 non-resident. A very careful revision had recently been made and many non-residents had been furnished

with letters of removal and are now in membership of the churches where they reside.

This is a very brief synopsis of the business transacted at this, the last meeting under the Methodist name.

PARTY IN HONOR OF EIGHTIETH BIRTHDAY

On Monday evening June 1st, the family, friends and a few nearby neighbors, altogether numbering between fifty and sixty, gathered at the home of Mr. Thos. Chambers in honor of his eightieth birthday.

A most sumptuous dinner was given between six and eight o'clock. The tables were most beautifully decorated with June flowers and being centered by a large birthday cake with eighty candles burning brightly on it. This was the gift of his grand-children.

After dinner he was presented with a book shower. The books were placed in a wagon decorated in pink and white for the occasion. Two small members of the family drew the wagon to where he was seated at the table.

Later in the evening a program was enjoyed by all present. The program consisted of toasts, speeches, instrumental, duets, solos and readings. The toasts of his lifetime were proposed by R. C. Brock, Chas. Williams and S. C. Reycraft.

There were four generations present for the occasion. These were: Mr. Thos. Chambers, his son, S.B. Chambers, his granddaughter, Mrs. W. F. Lawrence, and his great-granddaughter, Baby Madalene Lawrence.

Bethel Church observed Children's Day last Sunday, the smaller children occupying the choir and leading in the singing. The pastor, Rev. Mr. Johnson, held a baptismal service previous to his address, when ten children were baptized. Mr. Johnson based his remarks on Jeremiah 5:26 and used a mouse trap to illustrate the snares, traps, and bait used to entice the young into sin. It was interesting and instructive to the older members of the congregation as well as to the children. Many beautiful flowers added to the service.

The Field Day sports held by the Bear Creek U.F.O. at the Birnam school last Wednesday afternoon, were very largely attended, and every thing went off very successfully. The booth on the grounds did a rushing business, taking in over \$100.00. Ten young people gave a play in the school house in the evening, when standing room was at a premium. Many auto loads were turned away as they could not enter the school. The play was a huge success and over \$80 was taken in at the door.

Hosford M.A., of Watford, gave a short address, sketching the development of the neighborhood from the time of the pioneers to the present generation of today owes a great debt to the pioneers who blazed the trail before them.
