many are gathering to celebrate the ed. The assassin escaped. 25th birthday of the Woman' Missionary Society of the Methodist church, so, for this purpose, in the vestry o Providence church on Monday evening a service was held under the direction of the Bridgetown auxiliary. After opening exercises, a paper was read by the president giving a brief account of the work of the society from its beginning and showing something of what the women of the Methodist church of Canada are doing to spread the glad tidings. After a well rendered solo by Miss Flossie Bishop, a reading on mite boxes was given by Mrs. A. R. Bishop. During the inter mission home-made candy was sold by the girls of the mission circle. The second part of the program took the form of an exercise "Crystal and Coin," given by the children of the mission band, and a few of the young girls of the circle. The children took their parts well, the exercises, songs and recitations all showing that just as it takes the grains of sand to make the beautiful crystal, so the little pennies earned by them, all help to make the dollars, and the little work done by them, is all necessary to the great work. Sell Your Cold for \$1

You surely won't stop at a dollar bill to cure that horrid sniffeling sold? Go to any druggist and get "Catarrhozone" and your cold will be a thing of the past. There is almost witchery in the swift way Catarrhozone kills colds. But when you consider the penetrating, healing and antiseptic qualities of Catarrhozone perhaps it's not so wonderful. Certainly there is no remedy half so prompt for colds and caterrh as Catarrhozone. Refuse a substitute and insist on having only "Catarrhozone."
