### We MUST provide for the need of the Soldier and his family!

It is absolutely necessary to ensure certain safeguards and comforts to our boys over there and over here, so that they may be re-established in Canada, strong in body and soul, contented that we at home have stood by them to the finish. What sacrifice can we make for the boys who were prepared to sacrifice everything for us?

#### What the Salvation Army Has Done

It has provided comforts for fighting men since the twelfth day of the War. Hundreds of thousands of parcels of food and clothing for the boys. Tens of thousands of beds in Hostels in daily use in France, England and Canada. 197 Huts for Soldiers. 1,200 uniformed workers. 45 ambulances. Thousands of War widows cared for. Looked after soldiers' families. Helped for the Master. Lured to preserve the home ties. Given the MOTHER touch to lonely men.

#### What Remains to be Done

Keep the Hostels open and open more, so that every returning soldier can get a clean bed and wholesome meals at a price he can afford to pay. Provide comforts and safeguards for our boys, advancing into Germany, as well as those coming home and needing a place to eat and sleep, in Halifax, St. John, Quebec, Montreal, Kingston, Toronto, London, Chatham, Winnipeg or Vancouver. Guide and assist soldiers' families, especially the widows and orphans.

## Soldiers Home Coming Campaign

January 19th to 25th

The Salvation Army is equipped and organized to take care of the soldiers' URGENT AND PERSONAL needs—needs that are imperative. It has never made a general appeal for funds to carry on this work until now. Give and give liberally. If you are not certain that your contribution will be taken up by a canvasser, send it direct to the Hon. Treasurer, Sir Edmund Walker, Toronto—subscriptions will be acknowledged.
