

a professional examination before the Board, and prove that they have complied *with the rules and regulations of the Provincial Board, in an institution for the teaching of medicine in Her Majesty's Dominions.*

VI. All persons from Colleges outside Her Majesty's Dominions, but recognized by this Board, who desire to obtain the License of the College, must pass before the matriculation examiners the preliminary examination established by the Provincial Medical Board, or furnish satisfactory evidence of having passed an equivalent examination; and attend in some one of the Medical Schools of this Province, such other course or courses as may be necessary to complete the curriculum required by the Board; and shall pass the professional examination before the Provincial Medical Board. Such persons may pass their professional examination immediately after having passed their preliminary examination.

VII. Every candidate for the License must furnish proof that he is not less than twenty-one years of age.

VIII. Any person who shall have studied medicine during three sessions in any Medical School in Her Majesty's Dominions, and shall have actually practised medicine in this Province over thirty years, on proof of these facts to the satisfaction of the Board, and on production of a certificate signed by two Physicians residing in the neighbourhood to the effect that he has succeeded in his profession and deserves the consideration of the Board, shall have a right to a License to practice Medicine, Surgery and Midwifery in this Province and to registration without examination.

IX. The License shall be given only at the semi-annual Meeting of the Board.

X. No rejected candidate shall be granted a second examination at the same meeting without the consent of those who shall have examined him and of the Board as well.
