VOL. I.

TORONTO, JULY 2, 1849.

No. 7.

The Canadian Agriculturist,

A MONTHLY JOURNAL OF AGRICULTURE, HORTICULTURE, MECHANICAL AND GENERAL SCIENCE. DOMESTIC ECONOMY & MISCELLANEOUS INTELLIGENCE: Published by the Proprietors, W. McDOUGAL and GEO. BUCKLAND, on the first of each month, at their Office, near the South-west corner of King and Yonge Streets, Toronto.

Subscription ONE DOLLAR, *in advance*. Advertisements 4d. per line each insertion.

Societies, Clubs, or local Agents ordering twelve copies and upwards, will be supplied at 3s. 9d. per copy.

Money, enclosed in a letter, and addressed to the “Editors of the Agriculturist, Toronto,” will come perfectly safe. As we shall employ but few agents this year, those who wish to pay for the last, or subscribe for the present volume, need *not wait to be called upon*.

Payment *in advance* being the only system that will answer for a publication so cheap as ours, we shall send the remainder of the volume to none but those who *order and pay for it*.

Subscribers who desire to continue the work, will do well to send their orders without delay; for, as we do not mean to print a large edition, with the view of having a surplus, we cannot promise that at the end of two or three months we shall have any back numbers on hand.

TRAVELLING AGENTS.—Mr. T. M. Munn is our Travelling Agent for the Eastern section of the Province; Mr. Palmer for the Northern; and Mr. James Wilson for the Western: who are authorised to receive subscriptions for the last year’s volume as well as for the present.

LOCAL AGENTS.—Any person may act as local agent. We hope that all those who have heretofore acted as such will continue their good offices, and that many others will give us their influence and assistance in the same way. Any person who will become a local agent may entitle himself to a copy by sending *four* subscriptions. Those sending *twelve* and upwards will be supplied at 3s. 9d. per copy.

TORONTO NURSERY.

FOR SALE, an extensive collection of FRUIT TREES, consisting of all the choicest sorts of Apples, Pears, Plums, Cherries, Peaches, Grape Vines, Raspberries, Gooseberries, Strawberries, Currants, Asparagus, and Rhubarb Root, &c.

Also, Ornamental Trees, Flowering Shrubs, Hardy Roses, Herbaceous Flowering Plants, &c., in great variety.

Descriptive Catalogues, containing directions for transplanting, furnished *gratis* to post-paid applicants.

GEORGE LESLIE.

March, 1849.
