

NOTES.

SINCE receiving the report from the Owen Sound Association we learn that the Council have generously repeated the grant given the Association last year, and have placed \$75.00 at its disposal.

The Industrial Exhibition Association tendered its usual lunch to the poultry exhibitors and others on Friday, stock-breeders' day, most of the prominent exhibitors being present. His Excellency the Governor General spoke at some length, diffusing the regulation amount of sacharine matter. The President of the Association, Mr. J. J. Withrow, replied. E. F. Clarke, Esq., Mayor of Toronto, and others made short speeches.

The silver medals for best collections at the Industrial were won by Messrs. Bogue, McNeil and Oke (Ornamental Bantams), London, and W. Barber & Co., Toronto, who got medals for both Games and Game Bantams.

Mr. James Main, who is familiarly known as "Grandpa," won the silver cup for black-red cockerel.

From what we seen many exhibits have suffered and are still suffering from the effects of the extreme heat during the past two weeks, and not a few have succumbed.
