

2nd Edition.

## Gems from the Ocean of Truth.

From authors of all ages.

BY CHARLES C. CATTELL.

Gilt lettered, 15c., post free.

"An excellent library of ideas."—Dr Stedman.

"Very interesting."—S. Timmins

A collection of the ripest thoughts of the greatest thinkers of all ages. A work every Freethinker should have always in his pocket.

DOMINION REVIEW Office Toronto.

### IF YOU WANT TO KNOW

All about the Human body, its health and disease, nature's secrets revealed, How life so far is made, and how it may be made better, How to marry your own mate, and transmit wealth of health to posterity, Read the most popular, comprehensive and useful book treating of

**MEDICAL, SOCIAL AND SEXUAL SCIENCE.**

which Dr. Eadon declares to be "priceless in value, new, startling and very instructive." The latest edition is more complete and valuable than ever, having been re-written in important parts. It contains an APPENDIX of great practical utility made up of

**OVER 200 PRESCRIPTIONS OR RECIPES**

For Acute and Chronic Disorders Common to Adults and Children, a complete table of poisons and their antidotes (from highest authorities), illustrated directions for resuscitating the drowned (prepare for Health Boards), and hygienic rules for care of infants; also

**CRITICAL OF LIFE AND DEVELOPMENT OF HUMANITY.**

Tracing the embryo from conception through its stages to birth, and the progress of the human race, and the development of the human mind, on fine plate paper, such as are to be found only in high priced, imported medical works; and to illustrate the anatomy, and relative positions of important parts, each book is also embellished with **THREE ELEGANT CHROMOCHARTS OF VITAL ORGANS.** Murray Hill, N. Y.

Price, \$1.00, by mail; circulars free; agents wanted. Order from Office of SECULAR THOUGHT, 185 1/2 Queen St. W., Toronto, Can.
