

clumps of trees and plants, beds of flowers, natural terraces, and winding path to the TRAFALGAR TOWER peering from the summit of the MOUNT clothed with luxuriant arbors—contribute to render this spot peculiarly adapted to the purposes of a CEMETERY, the existence of which will at once be a source of attraction, usefulness and celebrity to the Metropolis of Canada.

An office has been opened in the City, for the transaction of all business concerning the CEMETERY, at which tickets of admission may be had gratis, hearses, omnibuses and cabs will be provided, which will enable parties so inclined, to limit the funeral cortege to executors and near relations of the deceased as customary in other cities.

The tariff of rates which will be upon an economical scale, for burial lots, excavation, hearse, and other contingencies, may be ascertained either at the office or at the cemetery; and for the convenience of the public, the entire arrangements for interment may be effected by an order without further trouble to the applicant.

The Minute Book, containing copy of the articles of the Proprietary Association of the Cemetery, and minutes of all proceedings connected therewith, will remain in charge of the Superintendent, for the information of intending purchasers of burial lots.

Office : No. 19½ Great St. James Street.

MONTREAL, 22nd June, 1846.
