#### TO FREE CHURCH MINISTERS AND CONGREGATIONS.

The amount of arrears on the Free Church Record (N. S.) paid in since the Union, is comparatively trifling. The debt is so heavy that every account would require to be paid in full, in order to meet it. The first resort, of course, is to the individual subscribers. In many places, however, it will be found that some of the subscriptions cannot be recovered. It is therefore to be hoped that earnest and strenuous efforts will be made in each locality to make up such deficiencies. Let each congregation resolve that the expense of circulating the Record amongst their people during the past five years shall be borne by themselves, and not thrown, any part of it, on the funds of the United Synod. Let ministers and other office-bearers attend to the matter immediately, and bring or send up the money when the Synod meets, towards the end of this month. Whether it is raised by a special collection by the people, or voted by the Deacons' Court or Board of Managers, or collected by private subscription, or contributed in some other way, matters little; provided that it be raised, and remitted without delay. If prompt and vigorous efforts be not made wherever congregations are in arrear, the report to be given in to Synod will reflect little credit on the Free Church, and will be a source of great embarrassment to all concerned.
