LYNN BUSINESS FOR APRIL LARGER THAN THAT OF ANY FORMER MONTH.—Twenty-six thousand cases, or one million five hundred and sixty thousand pairs of shoes were shipped from this city during the month of April, the value of which could not have been much short of two millions of dollars. Comment upon this fact is unnecessary, indicating as it does the largest amount of business ever transacted in Lynn in any single month. As yet there is no cessation, and the manufacturers are as busy as ever in filling their orders.—*Lynn Reporter.*
