ADVICE TO MOTHERS.—MRS. WINSLOW'S SOOTHING SYRUP should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as bright as a button. It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best known remedy for diarrhoea, whether arising from teething or other causes. Twenty-five cents a bottle.

BAY HORSE HOTEL, 163 to 167 YONGE ST.,
TORONTO, Sept. 29th, 1885.

Please send me half dozen (½ doz.) large bottles Permangano-Phenylene, same as last. I used the last bottle purchased from you to disinfect some feather pillows which had been packed away in a damp place, and became quite musty. A single application of your preparation rendered them perfectly fresh, sweet, and clean. Have also used it about my hotel, with excellent results.

ALEX. LESLIE, Proprietor.

TORONTO, Sept. 5th, 1885.

GENTLEMEN,—I have constantly used for several years the active ingredients which are incorporated in your Permangano-Phenylene, with most beneficial results, and believe their combination must produce a most excellent antiseptic and deodorizer, as well as promoting a healthy repair.

Can't Keep House.

BOWMANVILLE, ONT., Dec. 5, 1882.

Messrs. SETH W. FOWLE & SONS, Boston :

Dear Sirs—We suppose it is no new thing for you to receive congratulations on the success of your valuable cough remedy, **DR. WINTAR'S BALSAM OF WILD CHERRY**; but perhaps at this time a word or two from us will not prove out of place. Although the Balsam has not been advertised to any extent in this locality, our sale of it is very large and the demand is increasing, which is due to the universal satisfaction which it gives to our customers. We have never had a single complaint, and husbands tell us their wives will not keep house without it. We would like you to do a little more advertising in this county, for we believe were your Balsam better known, its sale would be increased tenfold.

Yours truly,

STOTT & JURY,

"The Druggists."

We find it produces better results than we have ever been able to obtain from using any other preparation, and have never found evidences of any 'soda taste' or discoloration in using it."
