

## Sparkles.

THE prudent man always lays up something for a rainy day, if it is only a borrowed umbrella.

W. H. RHODES, 118 E. Gay St., Columbus, O., in 1879, was taken ill with palpitation and neuralgia of the heart, consequent of diseased kidneys. "Horrible Dyspepsia" also afflicted him. He spent hundreds of dollars for relief in vain. He took 50 bottles of Warner's safe cure, and was fully restored to health, gaining 70 pounds while using that great remedy. Write him and enclose a stamp. He'll tell you the welcome story.

It is no comfort to the judges of our Court of Appeals to be told that Job never asked for a new trial.

THE HISTORY OF HUNDREDS.—Mr. John Morrison, of St. Anns, N. S., was so seriously afflicted with a disease of the kidneys that dropsy was developing and his life was despaired of. Two bottles of Burdock Blood Bitters cured him after physicians had failed.

A MAN of short stature gives as reason for his stunted growth that he was brought up as a child on condensed milk.

GREAT SUCCESS attends the sale of James Pyle's New Washing Compound, Pearlina. This is not surprising, as it has been demonstrated from actual experience that it is absolutely harmless to the most delicate fabric, while it is a great economizer of labour, time and soap.

It is customary now for a woman to take a trip to Canada, and see how she likes the climate before she marries a financier.

IT SELDOM FAILS.—J. D. Cameron, of Westlake, Ainslie, Cape Breton, had inflammatory rheumatism which Hagyard's Yellow Oil cured after all other treatment had failed.

INQUISITIVE PARTY—"And do you go up the ladder all day long?" Pat—"No, sir; half or the toime oi cum down."

THE PAIN KILLER.—We have long known the high character of this medicine, and that it has been used with great success and satisfaction in our very best families. It is the favourite medicine of our missionaries in heathen lands, where they use it more than all else together for the diseases that abound in those warm climates. It should be kept in every house, and be in readiness for sudden attacks of sickness.—*Christian Press.*

"How does the new girl strike you?" asked a citizen of Detroit, at dinner lately. "She hasn't struck me yet," answered his wife, meekly. "But she has done almost every thing else."

A HEAVY LOAD.—"When I ate, my food was like a lump of lead in my stomach. I took Burdock Blood Bitters. The more I took, the more it helped me, I am like a new man now," says Ezra Babcock, Cloyne P. O., Township Barrie, Ont.

"HAS my client any right?" asked a counsellor, out of patience, of a brother wrangler at the bar. "I know not," was the response; "but one thing is certain—when you get through with him he'll have nothing left."

E. EVANS, president of the Lumber Exchange bank, Tonawanda, N. Y., writes: January 15, 1886, I was entirely prostrated, and was reduced from 176 to 126 lbs. I thought I had inflammation of the large bowel. The pain was relieved only by morphine forced under the skin. My doctor treated me for inflammation and catarrh of the bowels, an affection sympathetic with disorder of the left kidney. I had distressing pain, with night sweats, and could keep nothing on my stomach, especially liquid, and I was intensely thirsty. February 19 I was in intense agony with pain in my left kidney. I then began Warner's safe cure. In 20 minutes I was relieved. I refused the doctor's medicines thereafter. I finally passed a large stone from the bladder, then my pain ceased. If you write Mr. Evans, enclose stamp for reply.

SHOPPING in the country. Clerk: "No, ma'am; those are two articles we don't keep; but the oysters, I think, you will find at the post-office, and bananas you can get across the way, at the barber's."

Mrs. Langtry, Sara Bernhardt, and Adeline Patti Revist Toronto.

These celebrated artists will arrive here in the coming season to give us pleasure during the dreary months. Some people, however, prefer a different kind of pleasure and that is to furnish a home of their own, and have music, cards and games to while away the hours. Jolliffe's is the place to furnish these homes, and 467 to 473 Queen Street West contains an enormous variety for you to choose from.

# A Wonderful Remedy.

The value of Ayer's Cherry Pectoral, in the protection it affords from the dangers of pulmonary disorders, cannot be over-estimated. Mr. C. K. Phillips, Pittsburg, Pa., writes: "About three years ago I had severe Laryngitis, which resulted in chronic hoarseness. By the use of Ayer's Cherry Pectoral I have since entirely regained my health." Mr. Henry Russell, Excelsior Printing Co., New York, writes: "Influenza became epidemic in my neighborhood. Several members of my family suffered severely with it, all of whom took Ayer's Cherry Pectoral, and were cured by it in a few days. It is a wonderful medicine for Influenza. Too much cannot be said in its favor."

E. M. Sargent, 41 Andover st., Lowell, Mass., says: "I commenced using Ayer's Cherry Pectoral about the year 1842, as a family medicine, for Coughs and Colds, and have always kept it in my house since that time. I consider it the best remedy that can be had for these complaints." Dr. J. B. Robertson, Clayton, N. C., writes: "I have used Ayer's Cherry Pectoral, in my family and practice, for a number of years, and have no hesitation in recommending it. It is an admirable preparation, and well-qualified to do all that is claimed for it." E. J. Styers, Germantown, N. C., writes: "Ayer's Cherry Pectoral is the best Cough preparation I ever saw. It gives instant relief."

## Ayer's Cherry Pectoral

has cured a Cough in a few doses. It always relieves irritation of the lungs or throat, and arrests the tendency to inflammation. It strikes at the foundation of all Pulmonary diseases, is without a rival as an expectorant, and is a sure cure for the most obstinate Coughs and Colds. L. Garrett, Texana, Texas, writes: "I have used Ayer's Cherry Pectoral in my family for twenty years. For throat and lung diseases, I consider it a wonderful remedy."

CATARH, CATARRHAL DEAFNESS AND HAY FEVER.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result is that a simple remedy has been formulated whereby catarrh, catarrhal deafness and hay fever are cured in from one to three simple applications made at home. Pamphlet explaining this new treatment is sent free on receipt of stamp, by A. H. Dixon & Son, 315 King Street West, Toronto, Canada.—*Christian Standard.*
