Household Hints.

TO THE DEAF.—A person cured of Deafness and noises in the head of twenty years' standing by a simple remedy, will send a description of it FREE to any Person who applies to NICHOLSON, 30 St. John Street, Montreal.

THE best Cough Medicine we know of is Allen's Lung Balsam.

BEER JELLY.—Take about one pound of lean, juicy beef, cut it into small pieces, put into cold water and let soak for one hour. Then put on the fire with one pint of water, seasoning with salt, pepper and a little celery seed, and let it stew until reduced two-thirds; strain on a few blades of mace. Serve hot.

GRATED SANDWICHES.—Grate a pound and a half of cold boiled ham in a bowl with a tablespoonful of pickle, chopped fine, a tablespoonful of mustard, and a little black pepper: beat six ounces of butter to a cream, add the ham. Have thin slices of bread and butter, and spread the mixture on one side of each slice.

CREAM CAKE.—One cup of butter, two cups of sugar, whites of two eggs, three and a half cups of flour, one cup of sweet milk, teaspoonful of soda, teaspoonful of cream of tartar. For the cream: One pint of sweet milk sweetened to taste, yolks of three eggs; thicken with flour to the consistency of custard, flavour with lemon. This amount makes two good sized cakes.

POT PIE.—One teacup sifted flour. One teaspoonful of baking powder. One-quarter teaspoonful of salt. Mix with sweet milk, slowly added until the consistency of a soft batter is used that can readily be dropped from a spoon. Butter a steamer, and pour the batter in. Steam it for half an hour. When done, lightly break it apart with a fork, put it upon a heated platter, pour the gravy over and enjoy the result. For a large supply double the quantity and steam twice as long.

MUTTON PIE.—A good way of using up the remnants of cold roast mutton: Cut the meat into small thin pieces, removing most of the fat. Cover the bottom of a pudding dish with a layer of bread crumbs, then one of the mutton, and over this a teacupful of canned tomatoes or slices of fresh ones, with a seasoning of salt, pepper, and bits of butter. Continue these alternate layers until the dish is full, finishing with crumbs. Bake in a good oven half an hour or more. It is well to cover the dish until nearly done, then remove the cover and brown the top.

VEAL LOAF.—Three pounds of veal cutlets; one quarter of a pound of butter or fat pork chopped fine; add bread crumbs till it is stiff; break in two eggs; add one tablespoonful of salt, pepper to taste, and half a grated nutmeg. Work it all together in loaf shape, break an egg on top and rub it all over the loaf, sprinkle bread crumbs over it to absorb the egg and cover the loaf, put it into a baking-pan with water and bake three hours, basting frequently. When cold, slice and serve.

TO KEEP MOTHS FROM WOOLLENS.—Put them on some deserving poor or unfortunate person and have them worn out. Every kind of woollen cloth can be saved in this way. Housewives all over the land will soon be busy putting away their winter clothing so that the moths cannot attack it. Articles that they can readily spare may well be bestowed on some shivering mortal. One can always find deserving poor, and those who, having means, give as stewards and not as proprietors, rarely offend even the proud poor by giving to them.

WHAT WAILS YOU?

34/52

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fullness or bloating after eating, or of "gone-ness," or emptiness of stomach in the morning; tongue coated, bitter, or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, alternating with chilly sensations, sharp, biting, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage it has reached, **Dr. Pierce's Golden Medical Discovery** will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Consumption of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in and, sooner or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from whatever cause arising. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative, tonic, it promotes digestion and nutrition, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery

CURES ALL HUMORS,

from a common Blotch, or Eruption, to the worst Scrofula. Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sore Eyes, Scrofulous Sores and Swellings, Hip-joint Disease, "White Swellings," Goitre, or Thick Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

"FOR THE BLOOD IS THE LIFE."

Thoroughly cleanse it by using **Dr. Pierce's Golden Medical Discovery**, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION,

which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stages of the disease. From its marvellous power over this terribly fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSUMPTION CURE," but abandoned that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs.

For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Nasal Catarrh, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.

Send ten cents in stamps for Dr. Pierce's book on Consumption. Address,
