This remarkable statement to which we direct special attention, is from a Tennessee farmer. My age is 63. I suffered intensely from Catarrh 10 years. Had intense headache, took cold easily, had continual roaring and ringing in my ears. My hearing began to fall, and for three years I was almost entirely deaf, and I continually grew worse. Everything I had tried, failed. In despair I commenced to use the Aerial Medication in 1888, and the effect of the first application was simply wonderful. In less than five minutes my hearing was fully restored, and has been perfect ever since, and in a few months was entirely cured of Catarrh. ELI BROWN, Jacksboro, Tenn.

"ST. AUGUSTINE" Sacramental Wine.

The REV DR COCHRANE writes: - BRANTFORD, May 23rd, 1895.

Messrs. J. S. Hamilton & Co GENTLEMEN The St. Augustine Wine used in my own church on sacramental occasions, as well as in many other churches, I have always heard spoken of in the highest terms and is admirably suited for the purpose. Its deservedly high reputation for purity can be relied upon. The unfermented grape juice also commends itself to those who prefer that the wine should not be fermented and should have a large and increasing sale in our Presbyterian and other Churches

HEALTH AND HOUSEHOLD HINTS.

Lamp chimneys must never be washed. Dampen a cloth in alcohol and rub them clear in half the time.

Salads are at all times valuable as cooling refreshing food, and are besides excellent food for promoting sleep.

An acceptable way of quenching the baby's thirst is to tie a little well-cracked ice in a piece of soft, clean muslin.

Grass stains should be rubbed with molasses thoroughly, and then washed out as usual. Another treatment is to rub with alcohol and then wash in water.

A common cause of failure in making fancy bread and rolls is mixing this dough too stiff. It should be soft enough to be easily worked, without being in the least sticky.

A boiling-hot liquid may be safely poured into a glass jar or tumbler by first putting a silver spoon in the vessel. Be careful, however, that a draft of cold air does not strike the vessel while hot.

Hot, dripping toast is a luxury when properly prepared. Put a good lump of fresh, sweet beef dripping into a fryingpan, when it boils, and not before, place nicely shaped squares of thick bread in it, turn when browned on one side. Dish up very hot, with a slight sprinkling of salt and pepper.

Old Virginia Catsup.—Take one peck of green tomatoes, half a peck of white onions, three ounces of white mustard seed, one ounce each of allspice and cloves, half a pint of mixed mustard, an ounce each of black pepper and celery seed, and one pound of brown sugar. Chop the tomatoes and onions, sprinkle with salt, and let stand three hours; drain the water off; put in a preserve kettle with the other ingredients.

Grape Catsup.—This is Mrs. M. J. Plumstead's recipe for grape catsup: Five pounds of ripe grapes, two and one-half pounds of sugar, one pint of vinegar, one tablespoonful each of ground cinnamon, ground cloves, ground allspice, and black pepper, and one-half tablespoonful of salt. Boil the grapes until soft in a little water, strain through a colander, add the other ingredients, boil until a little thickened, then bottle or can.

Cold Tomato Catsup.—A receipt used in the kitchen of General Washington is the following: Take a peck of ripe tomatoes and grate them over a coarse grater; strain through a wire sieve; put the liquor in a bag and let drip; take the pulp and thin with a pint of vinegar. Season with salt, pepper, garlic, allspice, and cloves. Bottle and seal. This catsup retains the taste of the fresh tomatoes, and is an excellent flavouring for soups and sauces.

Green Tomato Catsup.—Take a peck of green tomatoes and boil soft in half a gallon of vinegar. When done press through a sieve, add a teacup of sugar, one ounce of white mustard seed, one ounce of celery seed, half an ounce each of cloves, cinnamon, allspice and black pepper, four ounces of horse-radish, one dozen silver skinned onions, chopped fine; one ounce of garlic. Boil till very thick. Take from the fire, add three pints of strong vinegar, bottle, and it will keep for years.

A Durable Floor Stain.—Take one-third turpentine and two-thirds boiled linseed oil, with a little Japanese dryer added. Buy a can of burnt sienna and blend it thoroughly with this mixture. This gives a rich reddish brown. Mix the paint quite thin, so that it will run readily. Lay it on with a good-sized brush, stroking the brush the way of the grain of the wood. Put on several coats, allowing each one to become perfectly dry. Lastly, give the floor a good coat of varnish, and when thoroughly dry it will be found as satisfactory as a stained floor can be and easily kept clean. The varnish gives it the appearance of polished wood. It can be kept in good condition by simply dusting and wiping off with an oily cloth.

SUFFERED WITH JAUNDICE.

"I have suffered with jaundice for two years, and could get no relief until I began the use of Hood's Pills, and have never had an attack since. I highly recommend Hood's Pills to all who suffer with this trouble." Mrs. M. Forbes, Mount Pleasant, Mohawk, Ont., Can.

Hood's Pills are especially prepared to be taken with Hood's Sarsaparilla.

All the Clothes, all at once, makes too much of a wash, perhaps. Use Pearlina, and it's easy to do a few at a time. Lots of women do this. They take the napkins, towels, handkerchiefs,

hosiery, etc., each day as they are cast aside. Soak them in Pearlina and water, boil them a few minutes, rinse out— and there they are, perfectly clean. No bother, no rubbing. When the regular wash-day comes, there isn't much left to do. Why isn't this just as well as to keep everything and wash in one day? 410 JAMES PYLE, N. Y.
