

*Green Point*, in the Bay of Quinté, is the north point in Sophiasburgh, and lies opposite to John's Island.

*Grenville County* is bounded on the east by the County of Dundas, on the south by the River St. Lawrence, and on the west by the Township of Elizabethtown, running north 24 degrees west, until it intersects the Ottawa or Grand River; thence it descends that river until it meets the north-westernmost boundary of the County of Dundas. The County of Grenville comprehends all the islands near to it in the River St. Lawrence. The boundaries of this county were established by Proclamation, 16th July, 1792. It sends one representative to the Provincial Parliament. [From George Grenville, Secretary of State, 1762.]

*Grey's River* empties itself into Lake Simcoe, on the east side.

*Grimsby Township*, in the County of Lincoln, lies west of Clinton, and fronts Lake Ontario. [From Grimsby, in Lincolnshire.]

*Grosse Isle*. This island is situated in the River Detroit, and lies a little way lower down than Grosse Isle aux Dindes, but close to the west shore; it contains several thousand acres of excellent land, and plenty of good wood, and is in a high state of improvement; a number of farmers are settled there who possess large quantities of cleared land.

*Grosse Isle aux Dindes*, called Fighting Island.

*Grosse, Isle la* (so called by the Canadians) is the same as Michilimackinac.

*Gull Island* lies among the Duck Islands, off Point Traverse, in Lake Ontario, and is one of the southernmost of the group.

*Gwillimbury Township*, in the Home district, lies on Lake Simcoe, where Yonge Street meets Holland's River. [From the distinguished Welsh family name Gwillim.]
