

Puttner's Emulsion of Cod Liver Oil,

WITH HYPOPHOSPHITES OF LIME AND SODA, PANCREATINE, &c.,

PREPARED AFTER THE FORMULA OF

C. E. PUTTNER, Ph. M., Instructor of Pharmacy, Halifax College.

PUTTNER'S EMULSION was awarded First Diploma at the Provincial Exhibition held at Halifax, in 1881.

Over 13,000 bottles were sold in Canada alone during September and October, 1882, chiefly prescribed through Physicians; and over 60 gallons were used in the General Hospitals and Dispensary at Halifax during the year 1882.

The leading Physicians throughout the Dominion are prescribing **PUTTNER'S EMULSION**, and speak very highly of its merits as a pharmaceutical preparation. No further proof of this is needed than a perusal of the following testimonials:

Mr. C. E. PUTTNER has shown me the composition of the preparation sold under the name of "**Puttner's Emulsion of Cod Liver Oil and Hypophosphites**." I believe the combination to be good and well suited for persons suffering from some of the diseases of the lungs and digestive organs. I think it will also be found very useful in cases where the nervous system is impaired in tone and debilitated.

MEDICAL STAFF HALIFAX DISPENSARY.

We, the undersigned physicians, attached to the Halifax Dispensary whose names are appended to this certificate, having had frequent occasion to prescribe "**Puttner's Emulsion of Cod-Liver Oil, Hypophosphites, &c.**," have much pleasure in stating that we have every reason to be satisfied with the results from its use, having found it not only an efficient and reliable remedy, but also one which could be taken without any of the disagreeable effects which so frequently follow the use of Cod Liver Oil.

The Physicians of Ontario informed your agent, who has lately interviewed them, that one great advantage **Puttner's Emulsion** holds over all others is that it is easily digested, and their delicate patients after rejecting all other Emulsions can retain **Puttner's** with ease.

Messrs. The Puttner Emulsion Co.:

DEAR SIRS,—I prescribe your "**Emulsion of Cod-Liver Oil with Hypophosphites**" largely in my practice with most gratifying results. You may use my opinion in any way you desire. I cannot speak too highly of your preparation.

Yours truly, J. F. T. JENKINS, M.D., C.M.

MONTREAL, April 25th, 1882.

Messrs. The Puttner Emulsion Co.:

DEAR SIRS,—I have used your **Emulsion** extensively during the past four years, and have much pleasure in adding my testimony as to its efficacy. We had here last summer numerous cases of Whooping Cough and Scarlet Fever. I found the **Emulsion** answer admirably when the acute symptoms had subsided, in very many instances. In most wasting disorders, especially those peculiar to children, your **Emulsion** has rendered me good service, being pleasant to the taste, and no feeling of nausea following its administration. It seldom fails to give good results, and I prefer it to any other preparation of the kind.

I am, yours respectfully,

J. F. BRINE, M.D.
