OUR WORK.

THE outlook for our work is very encouraging. Our Chairman, W. Gooderham, Esq., has taken hold with a will, and those who know him know that he is not the man to allow a work to fail from lack of energy on his own part, nor is he likely to allow his committee to be a committee simply on paper. The work at York will receive special and early attention.

Christ also suffered for us, leaving us an example, that ye should follow His steps.—1 Peter ii. 21.
