

## Save Your Hair

By a timely use of Ayer's Hair Vigor. This preparation has no equal as a dressing. It keeps the scalp clean, cool, and healthy, and preserves the color, fullness, and beauty of the hair.

I was rapidly becoming bald and gray; but after using two or three bottles of Ayer's Hair Vigor my hair grew thick and glossy and the original color was restored.—Melvin Aldrich, Canaan Centre, N. H.

"Some time ago I lost all my hair in consequence of measles. After due waiting, no new growth appeared. I then used Ayer's Hair Vigor and my hair grew

### Thick and Strong.

It has apparently come to stay. The Vigor is evidently a great aid to nature."—J. B. Williams, Floresville, Texas.

"I have used Ayer's Hair Vigor for the past four or five years and find it a most satisfactory dressing for the hair. It is all I could desire, being harmless, causing the hair to retain its natural color, and requiring but a small quantity to render the hair easy to arrange."—Mrs. M. A. Bailey, 9 Charles street, Haverhill, Mass.

"I have been using Ayer's Hair Vigor for several years, and believe that it has caused my hair to retain its natural color."—Mrs. H. J. King, Dealer in Dry Goods, &c., Bishopville, Md.

## Ayer's Hair Vigor,

PREPARED BY

Dr. J. C. Ayer & Co., Lowell, Mass.  
Sold by Druggists and Perfumers.

The Parisians are expecting to be able shortly, by dropping a half-france piece into a slot, to hear a play or a concert. A firm is reported to have devised an apparatus for this purpose, which it has named the "Theatrephone," and it is proposed to introduce it into clubs and hotels. The experiments for the purpose of testing the device are said to have been successful.

CATARRH and ASTHMA were not so readily controlled and cured before T. A. SLOUGH'S OXYGENIZED EMULSION of PURE COD LIVER OIL came into the market. Every druggist is pleased to handle it for they all know its value. For tightness of the chest and difficult breathing it has no equal.

A reasonable degree of suspicion hurts nobody and sometimes prevents harm, but the wife of a man's bosom who asks him to spell and pronounce "ornithorhynchus" after he has been out half the night attending a political caucus with the boys shows overly plain that she has penetrated his clove and lemon-peel disguise. This is a case where the "breath" of suspicion is too strong.
