# Gourlay Piano

If you are a musician, the sympathetic bond between you will be strong indeed, for a Gourlay piano responds to every mood of the player. There is a crispness and delicacy of tone for the daintiest improvisation and a richness and volume for the most exacting bravura passages.

If you are not a player, but a lover of music, the pleasure in your friends' enthusiasm will more than repay you for the amount of your investment, to say nothing of the extra years of service over an ordinary piano.
