

SPRING ANNOUNCEMENT.

Miss Parloa's Kitchen Companion.

An entirely new work of a thousand pages by THE authority on household matters. 1 vol., crown 8vo, cloth, \$2.50.

This book merits the highest praise. It has not been hastily written to meet a sudden popular demand, but is rather the result of conscientious labour in leisure hours for several years, and it will unquestionably be a welcome visitor in thousands of families all over the land in which Miss Parloa's name and fame alike are familiar. The book describes minutely an ideal kitchen, tells what furniture, utensils and stores should be provided for it, explains clearly the uses, and states the value of various kinds of food, contains bills of fare for all sorts of occasions, shows how tempting meals may be quickly cooked when unexpected guests come, gives explicit instructions about diet for the sick, and includes also a choice collection of receipts in all departments of cookery as can be found in any ever published.
