NOTE:—A large part of the subject matter contained in the following pages is taken from the third edition of the pamphlet, "NORTHERN DISTRICTS OF ONTARIO," published by the Ontario Government in the year 1895, and which is looked upon as the best of authority on the matters therein referred to.

The remainder of the information following has been carefully gleaned from reliable sources, and great care has been taken to give a faithful account of the section of country hereinafter mentioned.
