A NEW AND IMPORTANT WORK

BY

OSCAR BROWNING, M.A.,

FELLOW OF KING'S COLLEGE, CAMBRIDGE, AND UNIVERSITY LECTURER;
AND FELLOW OF THE ROYAL HISTORICAL SOCIETY.

THE NEW ILLUSTRATED
HISTORY OF ENGLAND

FROM THE EARLIEST TIMES

TO

The Jubilee of Queen Victoria.

THIS work is designed as a family and general History of England, written in a popular style. Every fact or incident of importance in the Social, Political, and Religious life of the English people, from the earliest times to the present day, will be chronicled, and full advantage will be taken of the discoveries of modern scholarship. Whilst sufficiently erudite to be of service to the student, the entertaining and narrative form in which it is written will attract and interest the general reader.

It is divided into three parts, the first ending with the Accession of Henry VII., the second with the Revolution of 1688, and the third with the events of our own time. A sketch of the rise and development of the English constitution will be given at the end of the first part, and a short history of English literature at the end of the second part.

In the selection of the wood engravings, of which there are several hundred in the text, care has been taken that they should be of real assistance to the reader. They consist principally of Portraits of Notable Personages, views of Historic Castles and places of interest, Costumes and Coins from contemporary drawings, Maps, and Plans; the chief events in English history will also be fully illustrated by careful artists. In addition to the wood engravings there is a series of Portraits of the Kings and Queens of England, engraved on steel.

By the publication of calendars of state papers and other works by the Master of the Rolls, the knowledge of English history, especially of the early periods, has been revolutionised during the last thirty years. It is hoped that by the publication of the present work the results thus obtained may be brought within the reach of all classes of the English people.
