LACROSSE NOTES.

Four local O.A.L.A. teams made trips out of town on Saturday, but only one of them returned victorious, and that was the Beavers. This team made their debut in the intermediate series when they defeated Stratford by the score of nine to three in a very snappy game. The play was very strenuous in places with the result that several of the Beavers bear marks of the struggle today. This is a fine start for the east enders and if they stick together they should just about land their group honors. The winners lined up as follows: Gallagher, Dunsmore, Chay, W. Haight, LeFevre, H. Haight, Patton, Wilson, Dunn.

Robert Simpson opened their season when they took Markham into camp at the wrong end of a four to two score.

Middlesex sent three weakened teams out Saturday for play, but none of them were strong enough to win. Two of them played a man short.

Parthalia all but came back in their game with Riverdale. The west enders made their rivals eat the way to win by the score of four to three.

Another doubleheader will be staged at the Island next Saturday. Beavers and Robert Simpson Co. meet in the first game, and as both of these teams have won their initial games the battle should be a good one, although the store team being at home are slight favorites. The Toronto journey to the island to meet their old rivals the Tecumseh, and it looks as if the Indians were traveling at the pace just now that would put them out in front of the blue shirts. Both teams are tied for second place.

Roadside are to Montreal next Saturday when they tackle the Shamrocks, who gave Cornwall a beating Saturday last. The two losers of the opening fixtures will come together in Cornwall and Joe Lally's boys hope to break into the win column.

Young Toronto left Saturday night for New York on their annual trip, and they will play most of the best American teams before they come back.

The Oriole Lacrosse Club will hold a practice on Cottenham square Tuesday night, and request all of their players to be on hand, and any others wishing to join a good fast intermediate team.

TWILIGHT MEET TONIGHT.
Central Y.M.C.A.'s closed twilight meet at Twilght tonight should result in some exciting sport. The events are the 440, running hop, step and jump, and the discus. Entries for the events are in the big three twilight meet at Broadview field on Thursday night. The events are all handicap, and are expected to nearly all the athletes in the city. All of Toronto's star athletes are entered in either the policy or other events.
