Merchandise Summary.— The Queen Hotel, at St. Stephen, N.B., is
being closed. The proprietor is going to St. John,
where he will conduct the new Victoria Hotel.— Building is going on vigorously in the
burnt district of Parkhill, Ontario, and the new
structures are all substantially built of brick.— The President's message this year is un-
usually uninteresting to Canadians, and espe-
cially now that the fishery award has been
paid.— Instructions have been received from the
Minister of Marine and Fisheries to remove all
obstructions to navigation on the Thames
between Chatham and its mouth.— The publishers of the Peterborough Review
have begun to issue a daily evening newspaper,
which, from its general "get up," would do
credit even to a much larger place.[— The Montreal Lumber Company is said
to have leased wharves at Quebec for the stor-
age of phosphates, in which article a large
trade is anticipated next season.
