## ST. ANDREWS READY FOR THIRD ROUND

Put Oshawa Away and Em-  
erge With Eleven Goal Lead  
—Meet Varsity Next.

St. Andrews emerged from the second round with an eleven-goal margin. The return second round fixture with Oshawa for the locals, the final score being 11 to 2. The Oshawa outfit was easily looking in the score to go to make up a good hockey team. Their combination was poor and they failed to score in. Chopping into the feet was the best they could do. On the other hand, St. Andrews played nicely and played the puck every time. Watson was easily the best man on the ice. He went from end to end and bell to bell. Oshawa put every man after him, but couldn't stop the good St. Andrews centre. He will give Conn Smythe a lot of trouble on Saturday.

St. Andrews had it on Oshawa in size and also in the finer points of the game. Cantley, Scott and Watson worked a pretty three-man combination all night. They used a wicked shot that had Mann ducking, and he was dangerous through.

St. Andrews had all the play in every period and led at the first, 3 to 0. The second period ended 6 to 1, and the rout was on in the third. Oshawa's share was one counter.
