THEATRES

THE GIRL IN THE TAXI.

Miss Haswell and her company had so much success a few weeks ago with "Madame Sherry" that they decided to present another musical next week, consequently their offering at the Alexandra Theatre will be "The Girl in the Taxi" It will be remembered this French farce was much in demand a few years ago. The adaptation into English was made by Stanislaus Stange, who changed the locale from Paris to New York City.

THE LADY IN RED.

No lover of popular and melodious music can afford to miss hearing the score of "The Lady in Red," the new operetta, which will be the tenant of the Princess Theatre during the coming week. Robert Winterberg, the composer, has written langurous waitzes, appealing love duets, stir-ring ensembles and light, catchy numbers, due for a wide whistling vogue.

"HELP WANTED" AT THE GRAND Business women and those femining

or Catarrhal Deafness and Head Noises

Here in America there is much suffering from catarrh and head noises. American people would do well to consider the method employed by the English to compat this insidious disease. Everyone knows how damp the English climate is and how dampness affects those suffering from cataarrh. In England they treat catarrhal deafness and head noises as a constitutional disease and use an internal remedy for it that is really very efficacious.

Sufferers who could scarcely hear a watch tick tell how they had their hearing restored by this English treatment to such an extent that the tick of a watch was plainly audible seven and eight inches away from either ear.

Therefore, if you know someone who is troubled with catarrh, catarrhal deafness or head noises, cut out this formula and hand it to them and you will have been the means of saving some poor sufferer perhaps from total deafness. The prescription can be easily prepared at home for about 75c and is made as follows:

From your druggist obtain 1 oz. of Parmint (Double Strength). about 75c worth. Take this home, and add to it 1/4 pint of hot water and 4 ounces of gramulated sugar; stir until dissolved. Take a tablespoonful four times a day. Parmint is used in this way not only to reduce by tonic action the inflammation and swelling in the Bustachian Tubes, and thus to equalize the air presume on the drum, but to correct any exrupes, and thus to equalize the air pres-mes of the drum, but to correct any ex-cess of secretions in the middle ear, and the results it gives are usually remark-ably quick and effective. Every person who has catarrh in any form should give this recipe a trial and free themselves from this destructive dis-case. aspirants for places in the world of Sarnia commerce will find something to think tracks about in Jack Lait's "Help Wanted," which comes to the Grand next week ORVILLE HARROLD AT SHEA'S.

Orville Harrold, leading tenor of the Century Opera House, and one of the foremost singers on the American stage, will headline the bill at Shea's next week. Junie McCree's amusing one-act legal satire, "Comfort and King," is a vehicle that is said to be rich in humor. Allan Dinehart and Company appear in an amusing comedy sketch. Bradley and Norris pleasing little playlet. 'Robins

feature film attractions of current events complete the bill. LOEW'S WINTER GARDEN

A big bill of all-star acts will be offered at Loew's Winter Garden Theatre the coming week. It will be topped by "The Birthday Party." The famous Gasch Sisters perform feats of strength which few men are able to accomplish. Tom Mahoney, Alfred Mellor, Arista De Paula. Clara Covert, Maestro and Kitney, Hayes and Mont-gomery complete the bill.

ROYAL HAWAIIAN SEXTET.

The headline attraction at the Hip odrome next week will be the first ppearance in Toronto of the Royal Hawaiian Sextet. Donovan and Lee will be a feature of the bill. "A Honeyless Honeymoon" is the title of a one-act comedy playlet. Olivette, Soretti and Antonette, Jack Polk. Adams and Bell and feature films complete the bill. plete the bill.

Distress is general in the flood district. Thousands are without food, their cattle having been drowned.

the approach to same on the appr

ENJOYABLE SOCIAL

A very enjoyable social event took place in Eglinton Methodist Church last night, when nearly 250 members and their friends met under the auspices of the Ladies' Aid.

Following the luncheon an excellent program was given, in which local talent largely participated. W. G. Ellis presided and amongst those contis presided and amongst those con-tributing were W. J. Lawrence, R. G. Kirby, S. J. Douglas, J. E. Kelley and J. R. Page. Miss Inez Douglas was the accompaniest. Mrs. W. G. Eilis is president of the Ladies' Aid, and this branch of the church work, as well as the school and church mem-bership, has under the pastorate of Rev R. J. Fallis made marked pro-

No More Dust. Yonge street, north of the C. P. R. tracks to the city limits, is being put in excellent shape, a number of men and teams being engaged on the work. Street Commissioner Wilson is to be congratulated on the excellent results obtained by the use of oil and broken stone, with a topdressing of sand.

Batch of Resolutions Passed About Fifty Men Have Se-Dealing With Local

COAL WEIGHT QUESTION

The "give-a-man-a-job campaign" is meeting with success in East Toronto, about 50 men having been supplied with odd jobs since the campaign was commenced a few weeks ago. In conversation with The World last night Secretary Miller of the East Toronto Y.M.C.A. stated that the number of jobs given averaged three a day.

Previous to the above campaign being commenced, Mr. Miller conducted a labor bureau at the Y.M.C.A. and

The following resolutions and suggestions were adopted at the regular meeting of the B. L A., Earlscourt branch, in Earlscourt School, last

"That the B. I. A. write the patriotic fund committee, requesting them o continue the payment of the allowince granted to Mrs. Ball until the "That 'the board of education be

sked to put a right of way from Harvie avenue for the convenience of children attending Hughes' School."

dren attending Hughes' School."

"That a letter be forwarded to the city council, suggesting that they approach the legislature in the matter of the weighing of coal by the coal merchants, and request that a bylaw be passed to standardize the size of bags, to hold 100 pounds each, and that same be stamped with the weight and that weigh scales be carried on each wagon."

Weight of Ceal.

A. Craig said: "The action of the mayor in getting after the coal dealers, with reference to the weighing of coal, was a good one, but thought that an investigation was costly and would be inadequate, and moved the resolution with regard to approaching the legislature asking that a bylaw be passed to make the coal bags a stansari size, to hold 100 pounds, was adopted. The coal dealers should also be

A. Craig claimed that the pension bill A. Craig claimed that the pension bill had not passed the senate, hence the delay. Regarding the payment of the \$1000 insurance, he said: "I do not see why Mrs. Neale should receive the amount and not Mrs. Ball, nor why the Neale case should take precedence over Mrs. Ball's, as all the soldiers were covered by a blanket insurance previous to their departure for the front, and both families were residents in the township."

Small Fire.

The Keele street firemen were called out yesterday morning shortly after 10 c'clock to a fire which had broken out in a barn at 77 Chelsea avenue, occupied by E. D. Coulter and owned by W. W. Jardine of 54 Hogarth avenue. The blaze was caused by paper in the cellar catching fire from the furnace. The resultant damage was slight. dents in the township."
Will Do Their Duty.

MARKHAM IS BUSY As the feeling of the meeting was would carry out their promise with regard to the payment of the insur-ance in Mrs. Ball's case, this matter

was not further discussed.

The Earlscourt Park site was the subject of much discussion. Alex Craig was decidedly of opinion that the Allan Royce property was an ideal situation for a park having all the natural advantages, with trees and a plateau upon which a bandstand could be placed, and, in his opinion, was far superior both as to acreage and location to the Miller property."
W. Burlington: "If the city did their duty by the citizens, they would have secured a park site years ago." "The Royce property," said President Parfrey, "has the advantage over the Miller land, in that it is ready for use at any time."

Sure to Come in.

"I would much prefer to see the park site near Eglinton avenue, as the city will no doubt take in that section in the near future," said Mr. George. "I would also recommend the B.I.A. to steer clear of the other associations in the Earlscourt district, who are only working in their own inter-

didate was put thru the royal arch degree. The report of W. Bro. Legrow, delegate to the grand lodge, was received. Preparatory to the meeting of the Mount Dennis Ratepayers' Association to be held tonight in the Dennis Ave-

nue School, the executive met last night, D. A. Robinson presiding, when the water question was considered. Two propositions will be discussed to-IN EGLINTON CHURCH FARMERS RESPOND TO WORKERS' APPEAL

cost of conveying and supplying water from the Weston system, and it is also anticipated that the township engineer will give an estimate of the cost of Neighborhood Association Received Forty-Five Applications.

The West York Neighborhood Workers' Association met last night in the Runnymede Library, when it was reported that as a result of 45 ap lications for help by farmers within 50 miles of the city, 34 unemployed men had been placed in positions. The farmers, however, are still asking for single men, and the great need is to find situations for the unemp'oyed married men in the community. The Rev. Gilbert Agar, the president, and secretary of the Central Association, feels strongly that were cottages provided on the farms. the problem of the farmers in finding he'p, as well as that of placing men when wanted, would be very largely

The Neighborhood Workers' Association of the township, with several ation of the township, with several associations in the city, have been invited by Dr. Bridges, Jarvis street, to a grand rally for social intercourse on Tuesday next, April 27. Members of the Social Service Commission of Toronto will also attend.

Concert given by the pupils of Mrs. F. E. Webb, A.T.C.M., in aid of the Red Cross fund.

The program of 34 items consisted of vocal and instrumental music, recitations and action songs, and was much appreciated by the large audience.

WESTON RED CROSS STARTS CAMPAIGN

being commenced, Mr. Miller conducted a labor bureau at the Y.M.C.A. and was successful in obtaining 120 jobs for men. This total has now increased to about 170, and 125 men are registered. "Several permanent positions have been found," said Mr. Miller. "but times are quite as bad as during December and January, and it is only occasionally that such things turn up."

University Scheme.

A Working Men's University is to be organized in a few weeks' time, to be run along the same lines as the Working Men's Institute in England and France. A number of men connected with the Y.M.C.A. are interested in the scheme and it is proposed to hold weekly meetings, at which prominent men will speak on matters of interest to the working men. At a meeting of the executive of the Weston branch of the Canadian Red Cross Society, held last night at the residence of the secretary, J. M. Pearen, the first vice-chairman, Thomas Williams, was authorized to nominate

en. the first vice-chairman, Thomas Williams, was authorized to nominate a committee to make arrangements for the contemplated strenuous membership campaign.

It is proposed to elect two prominent citizens as captains of teams which will conduct the campaign. It will take perhaps two weeks to complete the arrangements for a campaign, which the executive intends shall be effective.

Horticultural Society.

The membership of the Weston Horticultural Society new stands at 154, and that number of options have been ordered, delivery being expected in a few days.

While members joining now or afterwards will not shafe in the options ordered, the matter of providing for a distribution of options in the fall, in the shape of bulbs and late plants, to those members not now provided, will be taken up at the next meeting of the society, to be held on the third Thursday of May.

Supply Club.

A society to be called the "Weston Supply Club" has just been formed in the schoolroom of St. John's Anglican Church by a coterie of men anxious to advance the principles of mutual help in the community, and it has already been decided to purchase and distribute coal on co-operation lines. It is proposed that members provide during the coming summer by payment of weekly contributions, to enable the executive to purchase the legislature asking that a bylaw be passed to make the coal bags a stansari size, to hold 100 pounds, was adopted. The coal dealers should also be subject to the city weight inspectors, he said.

H. Parfrey said he had been told that Mrs. Ball's allowance from the patricite fund was discontinued, and that the officials stopped payment on hearsay evidence that the widow had received the \$1000 insurance, but he fas glad to state that his informant was in error.

"Mr. Shantz, the secretary of the patricite fund," he said "gave an assurance, when speaking recently at a meeting of the Ward Seven Ratepayers' Association, scheduled for tonight, has been postponed until next. Friday evening, April 30, when the decision of the Ontario Railway Board will have been given regarding the franchises of the Toronto Suburban Railway Co. in west Toronto. The decision will be awaited with much interest by west end citizens, as the streets on which transportation is most needed are those on which the franchises of the company fold, and all attempts to procure a more efficient system for West Toronto citizens have been blocked. The ratepayers' association, scheduled for the fastepayers' Association and the provided to purch and distribute coal on co-opers much and distribute coal on co-opers and distribute coal on co-opers much and distribute coal on co-opers provide during the coming summer by payment of weekly contributions, to enable the executive to purchase the coal in carloads at wholesale prices, of which the members will get the benefit. A meeting will be held in the schoolroom tomorrow (Saturday) evening at 8 ocl'ock, when final arrangements will be made. All interested are desired to attend and prospective members are asked to communicate with the secretary, W. J. Forrester, Meyer avenue.

OF WATER SUPPLY after said date the statutory provision for enforced collection of same, by discress or otherwise, as may be determined by the collector, will be taken.
