He assessed the total damage against the property as \$85,400, but with the opening of the street, reduced this to \$30,125. He thought that even with the opening of the street people would still take the bridge route, as it was the shorter

ALD. WARREN PLEADS FOR FIRE COMMISSION

Board of Control, However, Refuses to Recommend Resolution to City Council.

Ald. Warren appeared before the board of control yesterday to support his resolution calling for the appointment of a commission to deal with fire department matters and one to go into assessment questions. Mayor Church said he was opposed to the commission principle, but the alder-man maintained that as the council of 1915 had been unable to settle the

orry to see any change. The result, however, was that the resolution will go to council with the recommendation that it be not adopted.

In regard to an assessment commission, Ald. Warren said his idea was one of fairness to persons who were mable to present their cases on perty before the court of revision and farther, a commission, hesthought, yould equalize assessment in Toronto. No decision was reached.

CITY HALL NOTES

Another candidate has been added to the list in ward four, that of W. J. Evans, who was for some time connected with the fire commissionership

A claim has been filed against the city by the McIntosh Granite Company for \$35,000 for alleged damage to their property on the east side of Yonge street, caused by the construction of the subway under the C. P. R. tracks. The city took a twenty-foot strip of land and lowered the street grade.

There is every likelihood of the big peer sign at the corner of Queen and Yonge streets having to come down in the near future, or its place taken by some other sign. The city council has Taking of evidence in connection decided not to renew the permit, and with the claims against the city and the Grand Trunk Rallway on account for instructions in regard to it. Municipality Paid Forty-Five Thousand Dollars by Exhibition Board.

Joseph Oliver, president of the Canadian National Exhibition, came in for a great deal of praise at the hands of the controllers yesterday, when he handed to the board a cheque the controllers are shown in the controllers and the controllers are shown in the controllers are shown in the considerable debate on the considerable debate debate on the considerable debate on the considerable debate on proceeds from the last exhibition. The shock seemed almost more than the board could stand, coming as it did so suddenly, but the members recovered sufficient composure within a short time to extend their gratitude to the Exhibition board thru its president. Mr. Oliver stated that he and the board were just as glad as the board of control, and that the figure had heen largely augmented by the help which the militia gave the Exhibition

directors. Had it not been for the solutions the amount would not have exceeded \$25,000, in his opinion.

Twenty thousand dollars of the \$45,000 will go towards the erection of buildings at the camp for more ac-commodation, the militia spending sufficient for military buildings, and the city adding the necessary amount to erect permanent buildings suitable for exhibition purposes.

In regard to conferring with the library board with a view to having libraries kept open on Sundays, Trustee Dr. Hopkins carried his point, claiming that it would be a splendid thing not only for the soldiers stationed in Toronto but for all young people. The motion was sustained. and a conference with the proper officials will result.

Safety of Pupils. On a point of enquiry, Trustee Ellis questioned the safety of pupils in Jesse Ketchum School in case of fire, and was told by Trustee Vokes, chairman of the property committee, that assurance had been given by the teacher of the class thought to be in danger that the pupils could get out in good time. Dr. Noble added that there was
