

Watson's Portable Air Tight Baker

The most convenient stove ever constructed for use in the Woods, on the Drive in the Camps. Bakes as perfectly as the finest range.

Read What Experienced Woodmen Say of it:
"We used your Portable Woods Baker all last season with a crew of men in the woods - travelling from place to place. We found it convenient to handle and the best steel range cannot beat it in baking. It is a perfect baking oven and a success in every way."

The cooking is not affected by rain or weather and can be used outdoors or in a tent.

Yours truly
