THE BIBLE

THE BIBLE is the word of God, and the only source of true knowledge and life. It is the foundation of our faith, and the guide of our conduct. The Bible is a book of wisdom, and a book of power. It is a book that has been read and loved by millions of people for centuries. It is a book that has changed the course of history, and that will continue to do so for ever. The Bible is a book that is full of love, and of mercy. It is a book that is full of hope, and of peace. It is a book that is full of life, and of joy. The Bible is a book that is for everyone, and for every age. It is a book that is for the rich, and for the poor. It is a book that is for the learned, and for the unlearned. The Bible is a book that is for the living, and for the dead. It is a book that is for the whole world, and for all time.
