Dominion Day Regatta.
The Dominion Day regatta commit-
tee met last night and completed all
arrangements for the big affair on
Saturday, and also decided to attend
the meeting of the rowing and paddling
clubs, which will be held at the
Argonaut Rowing Club to-night to
protest against a bridge being built
over the Hanlan memorial course by
the city.

Manager Kelley and the other mem-
bers of the Toronto team will be home
to-day and the "really truly" version
of the trouble at Baltimore will then
be forthcoming. Great crowds are ex-
pected at both the holiday games to-
morrow with Buffalo. The morning
contest will be called at 10:30, and the
afternoon game at 2 o'clock. At the
ball club's ticket office, 117 Bay-street,
reserved seats and combination tickets

can be obtained. The first ten rows in
the stand are being set aside for the
convenience of those wishing to avoid
the rush. Ferry coupons are attached
to all tickets.

Detroit are after Outfielder Cravath
of the Minneapolis team.

The Pittsburgh Club has asked waiv-
ers on Pitchers Elmer Steele and Cy
Ferry. If waivers are granted, the
Providence team has first chance of
purchasing Steele. Steele pitched the
ball for the Clams last season, and no
doubt the chance will be taken, as
Elmer would fit in nicely on the Providence
staff at present.

Manager Spillings of Buffalo states
he has secured Shortstop Purcell from
Montreal, and Outfielder Jimmy Mur-
ray from the St. Louis Americans.
Catcher Beckendorf, and Pitcher
Maloney of the Buffalo Club have
both been indefinitely suspended for
insubordination.
