#### Angry Dear Goes Citizen.

An angry deer, which had escaped from its quarters in the local zoo at Dundas Park, attacked James Beavis, 12 Lechmere-street, as he was on his way to work about 7 o'clock this morning, and before the animal could be driven off Beavis was painfully gored. The deer was killed with an ax, after having been thrown to the ground by James Vollick, 241 North Lock-street, who was also on his way to work when the escaped deer charged Beavis. Beavis received two painful gashes about the thighs, and suffered a broken wrist as the result of his encounter with the infuriated beast. He was removed to his home in the police ambulance. His condition is not considered very serious.

The report on the present and future needs of the sum mentioned, less \$3000 already voted, be submitted to the ratepayers to provide for the suggested improvements.

The first concern in Canada to manufacture gas mantles, it is said, is the Hamilton Gas Mantle Co., which has just been incorporated here by local capitalists and which will start operations in this city within the next week.
