Hockey Dentals 6 Argos - 1

ARGONAUTS EASY JUNIORS PLAY TONIGHT.

Scullers Fail to Lift S.P.A. Cup-Some Stars Uncovered.

Dentals still hold the senior S. P. Dentals still hold the senior S. P. A. cup. Argonauts tried their hand at the moving business last night, but the tooth-carpenters were much the best, and romped home easy winners, 6 gonas, to 1. Crooks, in the losers' net, was a bright shining light, and it was his work that kept the score as low as it was. The sculers saddy lacked condition. They will improve. In Jack McCamus they have a real forward He is heady at a useful check at all times. He was offer fan actions last night, but showed that he will set them realize that he will set them realize that he will set make them realize that he will set to make them realize that he will set make them realized that he will not require much work to put the heady and the will not require much work to put the heady and the was five the second that he will not require much work to put the second that he will not require much work to put the season with Candal that he will not require much work to put the season will be called at \$.30.

grand work of Crooks that kept the score down.

Ten'als worked some pretty passing in the second period, and scored two to Argonauts' cne. Bennett worked in alone for the Argonaut tally, and tried it two or three times more, but lost at the defence. Argos showed the effects of the pace in this round, and it dragged a little at the end.

Manager Frank Heffernan of the St. Patricks had a long-distance conversation with Mickey Roach last night, and the Hamilton star promised to be in Toronto this morning for practice. Heffernan claims that Roach is kidding the boys in Hamilton, and that he went up and signed Mickey on Tuesday.

Ken Randall joined the pro. squad yesterday and showed good form. Harry Cameron arrived last night, and should be out this morning. Nothing has been heard from Keats or Rickey.

U.T.S. will play an exhibition game in Galt on Friday night. The following players will take the trip: Sullivan, Munro, Rowell, Aggett and Nettlefield of the regular team; Greey, Gordon and Armstrong of Varsity will complete the squad.

Tonight's junior S. P. A. cup match at the Arena has all the ear-marks of being the tidbit of the season. It will mark the initial appearance of the Toronto Canoe Club team on the ice, and judging from the array of talent that the paddlers will trot out, Aura Lee will be lucky to retain possession of the cup. The challengers, with Worters or Moore in goal, Applegath and Connacher on the defence, end Burch, McCurry and Texas White, late of Barrie, on the forward line, and Houston and Tracey Shiw as subs. are a formidable aggregation. Aura Lee will probably line up as follows: Goal, Keach; Beatty and S. Burt, defence; M. Burt, Marshall andd Young, forwards, and Dinsmore and Goldsmith, subs. The game will be called at 8.30. WHY THE MIGRATION OF SOCCER PLAYERS ACROSS THE BORDER?

Calgary Herald. "The recent departure of several Canadian soccer players to club; across the border is causing some concern in certain quarters, and well it may, for it may be that this is just a beginning of a wholesale migration to the United States. What can be done to combat the 'evil' is a problem for the high standard of football is to be maintained in this country. One writer suggests out-and-out professionalism as a remedy, but in this case the cure would be worse than the disease.
