supply company.

The company offer power in such quantitles as may be required from time to time by the corporation at cost, after pay-

ing a dividend of 10 per cent. to the share-holders upon a capitalized stock of \$5,000,-

to report cost.

Enthusiasm Running Off With

Brains.

The application of the Property Commit-tee to have the plans for market improve-

Most people desire to learn, but few relish while the Commissioner will consult the being taught. But here is a lesson you

being taught. But here is a lesson you must learn if you desire to secure the purest and best of all Teas.

In the reports Ald, Hanlan's proposition for an \$85 plank walk extending from Queen's Wharf channel 600 feet scuth, for the benefit of a dozen Island familles, was not popular since the ferry scheme involves a good walk. Ald, Hanlan and Street Commissioner Jones will report the Item, meantime the clause, on motion of Ald, Hubbard, is referred back. enging.

Street Commissioner Jones' request for \$2600 appropriation for sidewalks repairs, in addition to the \$15,000 granted, brought forth the comment from Ald. Lynd, a member of the Claims Commission, that member of the Claims Commission, that the claims for damages for injuries because of bad sidewalks were assuming alarming proportions. The \$2600 was granted, the funds to be reported—not raised—at next year's estimates. Of the \$6500 ask ed for scavenging, in addition to the \$34,400 granted, the board granted \$3000—the Mayer's figure. On a Sealed Lead Packet is the Public Safeguard.

cil to water business streets and at the speed of street cars running down Yonge-street. The aiderman claimed that he nad gone into some of the stores and had found the floors guite (fortistic) with floors guite (fortistic).

electric lighting, heat and power in such quantities as the corporation may require.

The company would ask similar or equivalent privileges, rights and powers to those enjoyed by similar companies in the city of Toronto, the right to use the streets for carrying wires and generally the powers necessary and incidental to the carrying on of an electric lighting power and mannly company. Ald. Hubbard dissented. Tenders for Civic Plant. Tenders for the supply of an electric plant for street lighting purposes were also opened. They were incomprehensive, and incomprehensible, only certain parts, such as engine equipment, boilers, economizers, dynamos and are lamps being submitted, each of seven tenders taking a separate choice. The Engineer will report. in winter or summer otherwise. The board generally concurred in this. The double-acting hinges will be adopted, Mr. Lennox
