#### WANTED IN MONTREAL.

All Toronto's Three Crack Regiments, But it is Questionable if They Will Go.

Montreal wants to have Toronto's three crack regiments—Queen's Own, Royal Grenadiers and Highlanders—for the Queen's Birthday military manoeuvres. The commanding officers of the regiments each received an invitation from the big city yesterday for the soldiers to spend May 23 and 24 in Montreal.

It is hardly likely that the invitation will be accepted. In the first place, the cost of transportation would be very large, and, added to this, the cost of maintenance would make it an expensive trip for the soldiers. Then as the holiday comes in the middle of the week and the distance is so far, it would be a wearisome trip and would take up too much of the men's time. Many could not get away.

It is hardly likely that any of the three regiments will leave town on the Queen's Birthday year, as a brigade camp has been ordered for June 30, July 1 and 2.

#### Anniversary Services.

The managers of Chalmers Presbyterian Church, corner of Dovercourt road and Dundas-street, have made great preparations for their anniversary services, it being the tenth one. Dr. Lyle of Central Presbyterian Church, Hamilton, one of the foremost pulpits of Canada, will preach at the morning service, 11 a.m. Dr. Couric, editor of The Christian Guardian, will conduct afternoon services at 3 p.m. The pastor, Dr. McClements, will preach in the evening, 7 p.m. The choir have prepared some special music under the leadership of Mr. Hewat, which will be rendered at all services, assisted by Miss Fieldhouse and Mr. W. E. Rundle. A concert will also be given in the church Monday evening.

#### Who the Officers Are.

The officers elected at the annual meeting of the American Railway Association held in Detroit this week are as follows: President, T. F. Love, general manager of the western section of the Pennsylvania Railway; first vice-president, W. H. Boleburn, Jr., president of Long Island Railroad; second vice-president, T. H. Hanahan, vice-president of the Illinois Central Railway. The next meeting will be held in New York in October.

## Free Cure For Men.

A Celebrated Michigan Physician Offers to Send His Discovery Free.  
A Great Benefactor In Restoring Weakened Mankind to Strength and Vigor.

There is always more or less suspicion attached to anything that is offered free, but sometimes a man so overflows with generosity that he cannot rest until his discovery is known to the world. In order that his fellow men may profit by what he has discovered, it is upon this principle that the noted physician desires to send free to men his wonderful prescription which will cure them of any form of nervous debility; relieve them of all the ailments which attend some men are peculiarly liable to and restore the organs to natural size and vigor.

As it costs nothing to try the experiment it would seem that any man suffering with the nervous troubles that usually attend some men who never stopped to realize what might be the final result, ought to be deeply interested in a remedy which will restore

them to health, strength and vigor, without which they continue to live an existence of untold misery. As the remedy in question was the result of many years' research as to what combination would be peculiarly effective in restoring to men the strength they need, it would seem that all men suffering with any form of nervous weakness ought to write at once. A request to L. W. Knapp, M.D., 1238 Hull Building, Detroit, Mich., stating that you are not sending for the prescription out of idle curiosity, but that you wish to be answered promptly and without evidence as to where the information came from. The prescription is sent free, and although some may wonder how the doctor can afford to give away his discovery, there is no doubt about the offer being genuine. Write him to-day.

#### TERRIFIC THUNDERSTORMS.

Much Damage in the Neighborhood of Ogdensburg, N.Y.

Ogdensburg, N.Y., April 14.—This locality was visited last night by terrific electrical storms. In the Village of Parishville a dozen residences and business blocks were struck by lightning. The Hutter Tub Manufacturing Company's three-story building, 40 by 100, was fired and completely destroyed. Electric light and telephone poles were struck by lightning, and sidewalks were torn up. The damage is estimated at \$50,000; two men were seriously injured by electrical shocks.

#### Non-Suit in Berry Case.

The suit of W. H. Smith against the G. T. R. was brought to a sudden termination yesterday in the Assize Court by Mr. Justice Robertson ordering a non-suit. His Lordship held that the car of straw-berries was shipped at the owner's risk. The car was sealed when delivered to the G. T. R. at Suspension Bridge, and the contract of carriage was between Smith and the American lines over which the car came and not the defendant company.

Two applications, one to dismiss on account of the non-production of papers, and the other to postpone to the next court, were made in the two actions of Elliott v. Fawcett, and the suits were set for trial to-day. The case of Macdonald v. Ellsworth is also on the peremptory list.

#### Murray-Hill Recalled.

Power was yesterday granted to Lucia Ann Lunness to administer the estate of her husband, William Lunness, cattle dealer, who lost his life in the Murray Hill disaster. The estate is valued at \$1530.70. The items are: \$100 in household goods, \$250 stock in trade, \$125 in horses, \$28 in cattle, \$267.70 in book debts.

The will of the late Amelia Susan Lane of York Township was also entered for probate. She left \$822.62 in cash, \$30 in cattle and \$62 in household goods to her two brothers.

#### Actors by Special Train.

The members of Sousa's Band will arrive to-day at noon hour from Buffalo by a special C. P. R. train. They will return tomorrow at 12.30 p.m. and the trip, it is said, will be a record-breaker in the way of speed train service. They also carry the "Dangerous Maid" Company through to Boston, leaving here at 2 o'clock to-morrow morning by way of Hamilton.

#### NOTHING NEW OF NORTON NAY.

His Mother Meets Every Arriving Train—C.P.R. Officials Interested—His Ticket Not In.

There is still no trace of Norton Nay, the young man who disappeared while on his way home to Renfrew from Detroit.

His mother visits the Union Station every day, and waits in vain for her lost son at the arrival of every train.

The C.P.R. is also assisting to locate his whereabouts. General Superintendent Leonard has sent out descriptions of the young man to the various station agents requesting that a close watch be made for him.

Nay's ticket, which was issued from Detroit, has not as yet been turned in, although it should have been recorded the day afterwards. The conductor who was on the train says he remembers seeing Nay's ticket while on the journey, but he did not take it up.

Regarding Quarantine Grain. The freight department of the C. P. R. sent out a circular yesterday to the ship-owners notifying them that the company will undertake to guarantee to deliver to buyers at Montreal or ocean steamships, if the grain is loaded to the steamer direct from the elevator at Owen Sound. The company will, however, not be responsible for any subsequent shortage of grain.

Two applications, one to dismiss on account of the non-production of papers, and the other to postpone to the next court, were made in the two actions of Elliott v. Fawcett, and the suits were set for trial to-day. The case of Macdonald v. Ellsworth is also on the peremptory list.

#### Independent Forestry.

The Supreme Chief Ranger, Dr. Orin H. Atchey, visited New York during the week for the purpose of making arrangements for the extension of the order. H. A. Collins, the Supreme Forester, has been busy among the courts in Michigan during the past few days, addressing public meetings in the interest of Independent Forestry. On Monday evening Dr. C. Day Clarke, assistant supreme physician, gathered an address upon Forestry at a gathering of Foresters at Kingston, which place boasts of one of the largest courts in the High Court of Eastern Ontario.

#### Clearing Sale.

Messrs. Suckling & Co. call attention to the sale of the balance of the Doull & Gibson stock, to be held in Montreal on the 20th and 21st insts., consisting of clothing, tweeds, worsteds, fancy suitings, Mackinaw clothing, striped and worsted pants, men's waterproofs, combination safes, press-tables, wooden trucks. As these goods are all to be sold without reserve, it will be one of the finest opportunities for bargains that will be presented this season.

#### Some Summer Swallows.

Elsewhere in this paper will be found the initial announcement of Wilson's Ginger Beer, Ginger Ale, etc., made by Charles Wilson, 517-519 Sherbourne-street. These goods are unique in their way, being made of the purest spring water, and of exceptionally fine quality. You can get them from your dealer or direct from the company by telephoning No. 3004.

#### Synod of Toronto and Kingston.

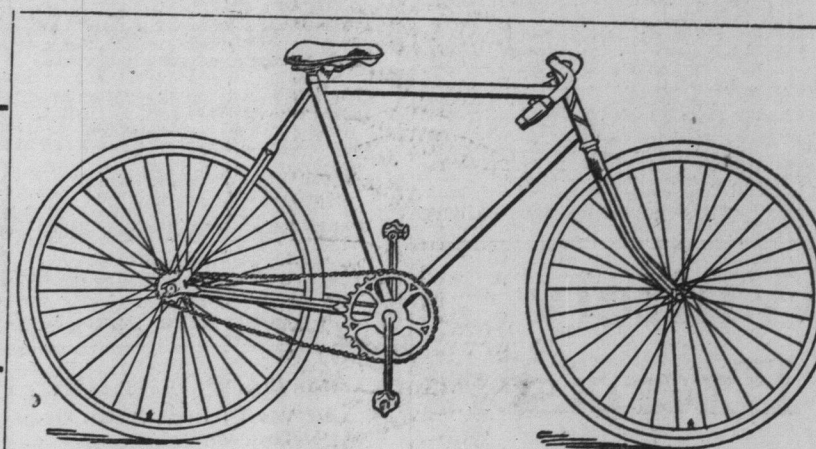

The Synod of Toronto and Kingston will (D.V.) meet in Knox Church, Toronto, on Monday, May 8, 1899, at 8 o'clock p.m., for business and for conference. The Business Committee will meet on May 8, 1899, within Knox Church building, at 3 o'clock in the afternoon, to prepare the business for the Synod. Presbytery rolls and all papers to be brought before the Synod should be sent to John H. Gray, Synod Clerk, on or before April 28, 1899.

#### Y. M. C. A. Notes.

This evening at 8 o'clock Mr. J. J. Gartshore will conduct the young men's meeting. The secretary will conduct both the morning and afternoon Bible classes to-morrow. Mr. Thomas A. Rodger left for week connecting special meetings for young men with the association in that city.
