## Worthy Bargains for Friday

The word "bargains" is a sadly abused term; on every side you can see it flaunted with reckless disregard and utter indifference for its true meaning. This store is doing all it can to lift it above the common level and using it only in its truest sense. Plain facts are enough. Here are truthful examples of the genuine meaning of the word bargains. They point to big business at this store on Friday. Can you afford to stay away? And remem- R. F.
