ments, having received his education at Oxford University. England, and Toronto University. He is one of the ablest platform speakers in America, is a talented controversialist, a man of wide views and possesses splendid organizing and executive ability.

Progress of the Order.

When Hon, Dr. Oronhyatekha reorganized the Independent Order of Foresters in 1881 it had only 369 members and was in debt about \$4000. To-day it has nearly a quarter of a million members, is doing business in Europe, Newfoundland, Australia, etc., as well as all over Canada and the United States. It has surplus funds to the amount of \$9,000,000 to beneficiaries, widows, orphans and cick and disabled brethren. An idea of the strength of the order may be gained from the fact that the 63 societies composing the national fraternal congress have total assets of about \$27,000,000, and of this sum \$9,000,000 belongs to the Independent Order of Foresters.

Oronhyatekha Again Honored.

At Atlantic City last week Hon, Dr. Oronhyatekha was again honored by the brethren, being re-elected Supreme Chief Ranger. The other supreme officers were also re-elected, they being: Supreme Councillor—Hon, E. G. Stevenson of Detroit. He is one of the leading lawyers of Michigan and is a partner of Hon, Don M. Dickinson, former postmaster-general of the United States. Mr. Stevenson is one of the greatest trial lawyers in America, Supreme Secretary—Lieut.-Col, John A. McGillivray, K.C., ex-M.P., a leading Canadian lawyer.

Supreme Treasurer—Harry A. Collins, a noted fraternalist and Imperial Potentate of the Mystic Shrine.

Supreme Auditors—B. W. Greer, chairman of the board of license commissioners, London, Ont., and C. R. Fitzgerald, Buffalo, N.Y.
Dr. J. M. Cameron of Galt, and Dr. Buckley of Minneapolis were re-elected members of the medical council.

Appointive Officers.

According to the report of the finance committee, which had in hand an investigation of the investments of the order, its management has been most successful in the care and investment of its large funds, not a single dollar ever having been lost of its funds by careless making or management of these investments.

On Safe Basis.

The question of rates is not disturbing this order. Many years ago it acted wisely in placing its rates on a safe basis, and it is looking to-day with interest, but without great concern, upon the struggles which are taking place in other societies. It has in its treasury, according to the estimate of its finance committee, sufficient funds without collecting a single dollar of
