BITRO-PHOSPHATE IS GOOD FOR THIN NERVOUS PEOPLE

A PHYSICIAN'S ADVICE.

Frederick S. Kolle, M. D., Editor of New York Physicians' "Who's Who," says that weak, nervous people who want increased weight, strength and nerve-force, should take a 5-grain tablet of Bitro-Phosphate just before or during each meal.

This particular phosphate is the discovery of a famous French scientist, and reports of remarkable results from its use have recently appeared in many medical journals.

medical journals.

If you do not feel well; if you tire easily; do not sleep well, or are too thin; go to any good druggist and get enough Bitro-Phosphate for a two weeks' supply—it costs only 50 cents a week

week.
Eat less; chew your food thoroughly, and if at the end of a few weeks you do not feel stronger and better than you have for months; if your nerves are not steadier; if you do not sleep better and have more vim, endurance and vitality, your money will be returned, and the Bitro-Phosphate will cost you nothing.—Advt.

"SLOAN'S LINIMENT **NEVER FAILS ME!**

Any Man or Woman Who Keeps Handy Will Tell You That Same Thing.

SPECIALLY those frequently attacked by rheumatic twinges. A counter-irritant, Sloan's Liniment scatters the congestion and penetrates without rubbing to the afflicted part, soon relieving the ache and pain. Kept handy and used everywhere for reducing and finally eliminating the pains and aches of lumbago, neuralgia, muscle strain, joint stiffness, sprains, bruises, the result of exposure to wea-

gists, 35c, 70c, \$1.40. Made in Canada.

Assistant men teachers with schools less than twelve rooms are paid \$100 until a maximum of \$1,400 is reached. Assistant men teachers with schools less than twelve rooms are paid \$100 until

Women teachers holding (1) permablood which imparts that power and surplus energy so earnestly desired by those in ill-health.

Stop and think what this means for your daughter—certainly a great deal, and it can be accomplished by Ferrozone.

The second-class certificates, who teach regular classes, (2) Kindergarten teachers, acting as directors and giving full day services, (3) Household science teachers, (4) School nurses, are paid for their first year's services \$600, and thereafter receive an annual increase of \$600, and thereafter receive an annual increase of \$50 until a maximum of \$1,200 is colored.

service, receive for the year 1919 an in-crease of \$150, but this does not apply to any teacher whose salary has reached the maximum as set forth in the three ections immediately preceding. Supervisors of kindergartens, house-lold science and supervisor of school nurses receive, in addition to their egular salary, the sum of \$200 per an-

num.
Supervisor of manual training receives a minimum salary of \$1,500, with a yearly increase of \$100, until a maximum of \$2,000 is reached.
Assistant manual training teachers,

Native Herb **Tablets**

Restore a Healthy Condition Why permit your liver and kidneys to remind you constantly of their unhealthy condition, when Bilss Native Herb Tablets taken at regular intervals will free you from pain, and keep your system in sound physical health. Don't neglect them, for to do so will lead to perhaps very serious consequences. Take Bilss Native Herb Tablets at the first sign of trouble, and you will be agreeably surprised at the results. They are recognized everywhere as the standard herb remedy for all ills due to a disordered stomach. Constipation disappears, the liver and kidneys function properly, the blood becomes pure and healthy, the appetite improves, and general system becomes invigorated.

Mrs. Francis Mervier. Brunswick, Ga., writes: "My liver and kidneys were very bad, but thanks to Bliss Native Herb Tablets, I have not a trace of my old trouble now. I shall continue to keep them on hand, just as long as I can get them."

> Catarrh Of the Stomach Is Dangerous

"Thousands Have It and Don't Know It," Says Physician. Frequently Mistaken for Indigestion—How To Recognize

Catarrh of the stomach is dangerous Catarrh of the stomach is dangerous because the mucus membrane lining of the stomach is thickened and a coating of phlegm covers the surface so that the digestive fluids cannot mix with the foods and digest them. This condition soon breeds deadly disease in the fermented, unassimilated food. The blood is polluted and carries the infection throughout the body. Gastric ulcers are apt to form and frequently an ulcer is the first sign of a deadly cancer.

In catarrh of the stomach a good and is the first sign of a deadly cancer.

In catarrh of the stomach a good and safe treatment is to take before meals a teaspoonful of pure Bisurated Magnesia in half a glass of hot water as hot as you can comfortably drink it. The hot water washes the mucus from the stomach walls and draws the blood to the stomach while the Bisurated Magnesia is an excellent solvent for mucus and increases the efficiency of the hot water treatment. Moreover, the Bisurated Magnesia will serve as a powerful but harmless antacid which will neutralize any excess hydrochloric acid that may be in your stomach and sweeten its food contents. Easy, natural digestion without distress of any kind should soon follow. Bisurated Magnesia is not a laxative, is harmless, pleasant and easy to take and can be obtained from any local druggist. Don't confuse Bisurated Magnesia with other forms of magnesia, milks, citrates, etc., but get it in the pure bisurated form (powder or tablets), especially prepared for this pur-

RECEPTION GIVEN

PRINCETON VETERANS

PRINCETON, Oct. 1.—A reception was held last evening in the I. O. D. E. Hall in honor of Sergt. Harold Bayliss and Pte. George Horne. Sergt. Robert Duncan presided, and cordially welcomed the young men. The Pascoe orchestra and members of the Innerkip Vocal Club furnished a good program. Dr. Hotson and W. Mann of Innerkip made interesting speeches, as did also the chairman. The address to the soldiers was read by Walter Kipp, and Ernest Wells presented each of them with an engraved gold watch, for which they expressed their thanks. About sixty couples enjoyed dancing to music by the Pascoe orchestra until early morning.

An increase of of the Imperial Control of the Imp

pleted, and will be open for traffic this week. It is a two-trues concrete structure, reinforced throughout with steel, and capable of sustaining without sway loads of any weight. It spans Hornor's Creek on the third concession of Blenheim Township. It is 55 feet long and has a 14-foot roadway, designed by Roger M. Lee of Brantford, and built by Bain Company of that city.
