of the match. In the last quarter the forentes grew careless, and the champions tied up the score, making the game equal when the locals had four men on the fence.

Two extra periods of ten minutes each were ordered, and the Torontos soon showed their superiority, scoring the goal that broke the tie in seven minutes. On changing ends, they scored two more, the Montrealers, who had started to rough it at this juncture, being two men short at the time. Toronto deserved to win on the play. They had more speed all round than the visitors, and but for hard luck in shooting would have won inside the regular time.

would have won inside the regular time.

Fitzgerald's absence from the team rather weakened the attack, but Anderson played well and figured in the victory. Much of the credit of the win belongs to Kalls and Barnett, who did great work all day the former, along with Dandeno doing the bulk of the fielding. Atton was invincible in goal, while Harshaw and Menary never played better. Finlayson was the mainstay of the Montreal defence, while the Scott brothers and Roberts carried off the honors on the home. The game was marked by a great deal of roughness, especially in the closing periods, and the penalty list was lengthy with the champions suffering the most.

lengthy with the champions suffering the most.

Cenditions more adverse for lacrosse could hardly be imagined. The rain came down with torrential fury all thruthe game was continued, and the field was so wet and sloppy that the players had all they could do to keep their footing. The track was a veritable slough of despond, and the individuals who were luckless enough to overstep the bounds were mired to the ankles. Fitzgerald was unable to play and a change in the Toronto line-up was necessary. Warwick was moved from outside home to first home, and Barnett placed in the former's position. Anderson was stationed at first home. Montreal lined up with their complete Minto Cup team, altho Geo. Finlayson did not play J. O'Kane helding down the point position. Dade figured on the home for the first time this year.

Nationals 5, Cornwall 0.

MONTREAL, June 11.—(Special.)—Cornwall met Nationals here to-day in their first game away from home. Shortly after 3 the teams faced each other, Cornwall playing the same men that met defeat last week, with the exception of Hank Smith, who replaced Mark Cummins, who was ill, in goal. The team was shifted around a bit, White going to point and Phelan being moved further back on the home. Nationals play "Newsy" Lalonde under protest. Gauthier was unable to play and Leger replaced him on the home. The rain had stopped, but the field was still greasy and the sky overcast. A large crowd, mostly French-Canadians, attended. Cornwall brought down 180 supporters. The teams:

The rainy weather put a kink in the opening of the new Rosedale Goif Club at Bedford Park Saturday. About 1500 invitations were sent out, and had the day been fine the event would have been noteworthy in golf circles. Despite the weather, nearly sixty enthusiasts were present, most of whom donned old clothes, heavy waterproof boots, and followed the rounds played by the professionals. Barrett, Russell, Cummings and Locke.

The result of the two rounds of four-some, in which Barrett and Russell played against the other two, was a victory for the former by nine holes up and eight holes to play. In the first round the victors were seven holes up, Barrett having covered it with 70 strokes, and Russell with 71 strokes.

The rainy weather proved very disapriously the more ardent ones who put in an appearance.

Muddy Track at Gravesend -Steeplechase a Farce-Close at Montreal.

GRAVESEND, June 11-On a muddy Handicap, 1½ miles, to-day, defeating a high-class field. King Jarnes was beaten, as the 136 pounds, which he was required to handle, was too much and third was the best he could do. The steeplechase was a farce. Waterway had no contention after the other horses fell. Thisticale lost his rider on the last turn, but was remounted and finished second. The gentlemen's Cup at about six furlongs, resulted in a victory for Charlie Harstave, who won galloping by four lengths. FIRST RACE—Purse, \$500 added, for three-year-olds and up, selling, 13-16 mile; 1. Petronius, 98 (Garner), 8 to 5, 3 to 5 and out. 2. The Peer, 98 (McCahey), 13 to 5, even

The new Rosedale golf links are among the finest in the country. The area of the grounds is 126 acres, and the course is 520 yards, or nearly three miles. The links are situated right opposite Melrose Park, on Yonge-street, and only a five minutes' walk from Stop 26, on the Metropolitan car line. The clubhouse is most attractive, consisting of a spacious dressing room, buffet, parlor, dining room and a large plazza, from which is a beautiful view of the ravine to the east and the links beyond.

Bagrett and Russell represented the 6 to 5 and out. Time 2.93. Quantico and Sir Evelyn also ran, SECOND RACE—The Empire State Steeplechase, purse, \$800 added, for four-year-olds and up, about 2½ miles:

Alf Shrubb to Run Again.

At last we are to see the great little English runner, Alfred Shrubb, in action again. He has entered the 2-mile relay team race at the island stadium next Saturday night, and will team up with that sterling little Swede. Gusta Liungstrom. This brings together one of the fastest teams in the world, and Shrubb, if running in any kind of form, will surely please his admirers, as this kind of a race should show him off to advantage, as in all his races he has at times shown bursts of speed, and with Liungstrom to relieve him every lap er two there will be some tast work done, especially with three other fast teams hitting it up, the miles will be reeled of in record time.
