That clergymen should not become

urer. Mrs. Dwyer, reports receipts from May to October as \$4,107.50, and disbursements \$3,658.17. At the close of the business Rev. Dr. McBride, the new rector of the cathedral, was introduced by the president. Mrs. French.

GOOD YEAR'S WORK OF TORONTO MISSION

Reports given at the meeting of the Toronto City Mission board of management, show that the work of the mission is progressing favorably. The finances of the organization are in good shape, and large numbers of mothers and children were looked after at the fresh air home in Bronte during the summer. Coothing for the poor was asked for at the meetnotices to be sent to Mr. Hall. 87 Howard street.

WIDOW GETS ESTATE.

James Miller Young, former sup-crintendent of the Copp-Clark Co., who died on July 5th, bequeathed \$100 to his son, Hugh, and the redue of his estate to his widow Isabella Young, by a will made in August, 1893. The estate included \$5.349 insurance, No. 73 Sorauren avenue, \$7,900; mortgages and

FREQUENT HEADACHES A DANGER SIGNAL

The Victim Nearly Always Suffers From Weak Watery Blood.

There are few ailments that cause more genuine misery than nervous or kinds have been engaged for the past the church of Christ." and the most successful treatment, therefore, is a remedy that will re- at the armories. build the blood and make it rich and This can best be done through a fair course of Dr. Williams' Pink Pills, which has a special action on the blood, and through the blood on the nerves. In this way Dr. Wil-liams' Pink Pills have been found invaluable in a wide range of diseases due to poor, watery blood, such as anaemia, rheumatism, indigestion, after effects of influenza, neuralgia, etc. The effectiveness of this tonic treatment is illustrated in the following case: Mrs. Geo. Arn, the following case: Afr. Geo. Arn. R. No. 6. Simceo. Ott. Says.—
"Some years ago my daughten, then a young girl of eleven, because was troubled greatly with sick heads was known of reducing the without the lovely Thema. MENDELSSOHN CHOIR COMMENCES WORK

G. Harry Parkes, president of the Mendelssohn Choir, welcomed the choristers at the first rehearsal of the welcomed the season. In the course of his address, he declared that the number of members dropping out of the choir this year for various personal reasons was considerably fewer than usual. The normal shrinkage had not been reach ed-a fact that was the best possible proof of the keen interest and enthusiasm with respect to the work of the chorus. The applications for admission, on the contrary, had been more than was expected. As a result of these conditions, a waiting list had been established for the first time since

H. A. Fricker, the was most warmly received, gave an outline of the chief works to be studied this season, mentioning particu-larly Dr. Ernest MacMillan's ode, "England," composed in the German prison camp of Ruhleben, and the "Sallors' Chorus" from "The Flying Dutchman." The concerts of the society will be held in April next, instead of in February.

CHARGED WITH THEFT.

last night by Detective-Sergeant Archibald on a charge of theft. Dun-Archibald on a charge of theft. Duncan, who was a traveling salesman and collector for the Harris Abattoir, is alleged to have been \$1,850 short in his collections when he returned to the city from his last trip. He has a wife and family living in England, it is understood.

The transfer is undertaken as a progressive measure in the development of this work and its relation to the home church," said Rev. J. H. Arnup. "We hope that our present action will stimulate our Indian brethren to greater self-support; arouse new interest in the education of their chilficular and encourage them to qualify.

CONCERT AT ARMORIES A small army of workers of all

sick headaches. Only those who have endured the suffering, somehave endured the suffering, sometimes for days at a stretch, can realize the agony of the victims. Noises increase the pain; food is unthought of for it only adds to the distress. To this salaries of missionaries in Canada to of, for it only adds to the distress.

When the attack is on there is little on their finishing touches. To this salaries of missionaries in Canada to to be done until it passes away.

These headaches are nearly always a danger signal that too frequently passes unheeded. They are the symptons of many molecular to the star attraction. Assisttoms of many maladies, such as anaemia, constipation, indigestion, etc., prano; Robert MacDonald, pianist, and when these are cured the head- and the brass band of the United War and when these are cured the head-aches permanently disappear. Head-aches are more often a sign of weak, watery blood than anything else, Yonge street, until 5 oclock tonight,
